DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be altered, traced, photographed or used for any other purpose other than for the purpose of CDM 15 Notice. The General Contractor is to check all dimensions on site and report any discrepancies to G. R. Merchant. All details shown on this drawing including foundations are based upon typical site conditions assumed to be area. No responsibility can be accepted for abnormal conditions which may be discovered during commencement unless reported to the Architect so that design amendments may be considered. Tests and surveys are recommended in respect of foundations to establish specific site conditions before foundation work is undertaken. This drawing is limited in the amount of information contained and does not purport to contain a full specification of the works. It is solely for the purpose of obtaining Planning / Building Regulation approval. This drawing must not be used as a contract document alone. The works will not be supervised or inspected on site by G. R. Merchant or any representative thereof. It is the client or their appointed agents responsibility to control workmanship, substitution of materials, adherence to specification, variations to contract etc. All materials to be new unless otherwise noted and all are products and measure etc. to be used fitted and installed etc. in strict accordance with the Manufacturers instruction and relevant code of practice. Materials and products to appropriate British standard specification or BBA certificate or European equivalent. The Employer / Client shall ensure that the contractor has taken out adequate insurance and indemnities. The Employer / Client shall ensure that the contractor is competent and has adequate resources for the work he undertakes and that he complies with the Health and Safety at Work Building sites and Work places. The Employer / Client is advised that should the works need to comply with the Construction Design and Management Regulations an independent Planning Supervisor will be required. The works shall comprise of all that is shown on the drawing and details. Work that may not specifically be shown but may be reasonably inferred as necessary to carry out the works shall be deemed to be included. It is the job / land owners responsibility to be aware of the Party Wall etc. Act 1996, when building in close or similar to adjoining neighbours boundaries.
