TOWN AND COUNTRY PLANNING ACT 1990

OUTLINE

Reference: H21-0703-25 **Date of Decision:** 16th September 2025

Applicant: Mrs Shea
The Meadows
Lowgate
Tydd St Mary
Spalding
PE13 5QP

Location: South Of The Meadows Lowgate Tydd St Mary Spalding

Description: Proposed New dwelling

South Holland District Council, in pursuance of the provisions of the Town and Country Planning Act 1990 (as amended), hereby give notice that permission has been GRANTED (or equivalent) for the development referred to above, subject to the following condition(s):

1 The development hereby permitted shall be commenced before the expiration of three years from the date of this permission, or two years from the approval of the last of the reserved matters, whichever is the later.

Reason: To ensure that the development is commenced in a timely manner, as required by Section 92 of the Town and Country Planning Act 1990 as amended by the Planning and Compulsory Purchase Act 2004.

2 Details of all reserved matters, as set out below, shall have been submitted to the Local Planning Authority for approval within three years from the date of this permission:

i) layout
ii) scale
iii) appearance of the building(s) (including a schedule of external materials to be used); and

iv) the landscaping of the site (including boundary treatment).

Approval of all reserved matters, as detailed above, shall have been obtained from the Local Planning Authority in writing, before any development is commenced.

The development shall be carried out as approved.

Reason: To ensure the Local Planning Authority can control development in detail, and to ensure that the development is commenced in a timely manner, as required by Section 92 of the Town and Country Planning Act 1990 as amended by the Planning and Compulsory Purchase Act 2004.

3 An application for approval of reserved matters shall be made to the Local Planning Authority not later than the expiration of three years from the date of this permission.

Reason: As required by Section 92 of the Town and Country Planning Act 1990 imposed pursuant to Section 51 of the Planning and Compulsory Purchase Act 2004.

4 The development hereby permitted shall be carried out in accordance with the following approved plans and/or documents:

- PP 1001 Rev A - Outline Planning Drawing - Site and Location Plans
- ECL1558/SWANN EDWARDS ARCHITECTURE - Flood Risk Assessment

Reason: For the avoidance of doubt and in the interests of proper planning.

5 The development hereby permitted shall not exceed one storey in height.

Reason: To ensure that the development is compatible with the existing character of development in the locality and in the interests of protecting the amenity of neighbouring porperties.
This Condition is imposed in accordance with Policies 2 and 3 of the South East Lincolnshire Local Plan, 2019.

6 The development hereby permitted shall not commence until a biodiversity gain plan has been submitted to and approved in writing, by the Local Planning Authority. The development shall then be carried out in accordance with the details as approved.

Reason: To comply with Schedule 7A of the Town and Country Planning Act (1990, as amended).

This Condition is imposed in accordance with Schedule 7A of the Town and Country Planning Act (1990, as amended) and Policy 28 of the South East Lincolnshire Local Plan, 2019.

7 The development hereby permitted shall be carried out in accordance with the measures set out in the approved Flood Risk Assessment (ECL1558/SWANN EDWARDS ARCHITECTURE). In particular, the following measures shall be fully implemented before the property is first occupied:

- The finished floor levels of the dwelling shall be set 0.3m above the surrounding ground

DC_FINAL_DECISION - ODB:14

levels; and
- 0.3m of flood resilient construction shall be incorporated above the finished floor levels.

Note: The above approved plan does not constitute final approval of detailed site levels or finished floor levels.

Reason: To ensure that the development does not increase the risk of flooding or be at risk of flooding.
This Condition is imposed in accordance with Policies 3 and 4 of the South East Lincolnshire Local Plan, 2019 and Section 14 of the National Planning Policy Framework, December 2024.

8 Before any development beyond oversite is commenced, full details of the proposed soakaway system for the disposal of surface water from the development hereby permitted, including percolation test results, shall be submitted to and approved in writing by the Local Planning Authority.

This shall include the calculations undertaken to determine the volume of storage required. Should the percolation test results be considered unacceptable by the Local Planning Authority, details of an alternative means of providing for surface water drainage shall be submitted for consideration and approved by the Local Planning Authority.

The approved means of surface water drainage shall be implemented in full before the development hereby permitted is first brought into use.

Reason: To ensure that the site is adequately drained, to avoid pollution, and to prevent increased risk of flooding.
This Condition is imposed in accordance with Policies 2, 3 and 30 of the South East Lincolnshire Local Plan, 2019 and Section 14 of the National Planning Policy Framework, December 2024.

9 Before the access is brought into use the existing wall/hedge/fence shall, be lowered to, and at all times thereafter maintained at, a height not exceeding 0.6 metres above the edge of the adjacent carriageway for a distance of 10 metres on each side of the access.

Reason: In the interests of safety of the users of the public highway and the safety of the users of the site.
This Condition is imposed in accordance with Policy 2 of the South East Lincolnshire Local Plan, 2019.

Notes:

The Local Planning Authority has acted positively and proactively in determining this application by assessing it against all material considerations, including national guidance, planning policies and representations that have been received during the public consultation exercise, and by identifying matters of concern within the application and negotiating, with the Applicant, acceptable amendments to the proposal to address those concerns. As a result, the Local Planning Authority has been able to grant planning permission for an acceptable proposal.

DC_FINAL_DECISION - ODB:14

This decision notice, the relevant accompanying report and the determined plans can be viewed online at http://planning.sholland.gov.uk/OcellaWeb/planningSearch

The permitted development requires the formation of a new/amended vehicular access. These works will require approval from the Highway Authority in accordance with Section 184 of the Highways Act. The works should be constructed in accordance with the Authority's specification that is current at the time of construction. Relocation of existing apparatus, underground services or street furniture will be the responsibility of the applicant, prior to application.

For application guidance, approval and specification details, please visit:
https://www.lincolnshire.gov.uk/licences-permits/apply-dropped-kerb
or contact vehiclecrossings@lincolnshire.gov.uk

Please contact the Lincolnshire County Council Streetworks and Permitting Team on 01522 782070 to discuss any proposed statutory utility connections and any other works which will be required within the public highway in association with the development permitted under this Consent. This will enable Lincolnshire County Council to assist in the coordination and timings of these works.

Biodiversity Net Gain

The applicant's attention is drawn to the following Biodiversity Net Gain requirement.

The effect of Paragraph 13 of Schedule 7A of the Town and Country Planning Act 1990 is that planning permission is deemed to have been granted subject to the "biodiversity gain condition". The effect of this "biodiversity gain condition" is that development granted by this notice must not begin unless:

(a) a Biodiversity Gain Plan has been submitted to the planning authority, and

(b) the planning authority has approved the plan, or

(c) the development is exempt from the biodiversity gain condition.

The planning authority, for the purposes of determining whether to approve a Biodiversity Gain Plan if one is required in respect of this permission would be South Holland District Council.

This permission will require the submission and approval of a Biodiversity Gain Plan and Habitat Management and Monitoring Plan (HMMP before development is begun). This is over and above the information submitted and considered as part of this application, and will be required before development is begun, because none of the statutory exemptions or transitional arrangements listed below are considered to apply.

For guidance on the contents, in respect of the details that must be submitted and agreed by the Local Planning Authority, prior to the commencement of the consented development, please see the GOV.uk website and Planning Practice Guidance.

Statutory exemptions and transitional arrangements

There are statutory exemptions and transitional arrangements which mean that the biodiversity gain condition does not always apply. These can be found at Paragraph: 003 Reference ID: 74-003-20240214 of the Planning Practice Guidance, which can be found at
https://www.gov.uk/guidance/biodiversity-net-gain.

For clarity, the Local Planning Authority do not consider that any of the exemptions apply in this case. As such, the development hereby permitted will be subject to the biodiversity gain condition.

Irreplaceable habitat

If the onsite habitat includes irreplaceable habitat (within the meaning of the Biodiversity Gain Requirements (Irreplaceable Habitat) Regulations 2024) there are additional requirements for the content and approval of Biodiversity Gain Plans.

For clarity the LPA do not consider that irreplaceable habitats are present at this site.

The Biodiversity Gain Plan must include, in addition to information about steps taken or to be taken to minimise any adverse effect of the development on the habitat, information on arrangements for compensation for any impact the development has on the biodiversity of the irreplaceable habitat.

The planning authority can only approve a Biodiversity Gain Plan if satisfied that the adverse effect of the development on the biodiversity of the irreplaceable habitat is minimised and appropriate arrangements have been made for the purpose of compensating for any impact which do not include the use of biodiversity credits.

Effect of Section 73(2D) of the 1990 Act

Under Section 73(2D) of the Town and Country Planning Act 1990 (as amended) where

(a) a biodiversity gain plan was approved in relation to the previous planning permission ("the earlier biodiversity gain plan"), and

(b) the conditions subject to which the planning permission is granted:

(i) do not affect the post-development value of the onsite habitat as specified in the earlier biodiversity gain plan, and

(ii) in the case of planning permission for a development where all or any part of the onsite habitat is irreplaceable habitat within the meaning of regulations made under paragraph 18 of Schedule 7A, do not change the effect of the development on the biodiversity of that onsite habitat (including any arrangements made to compensate for any such effect) as

specified in the earlier biodiversity gain plan.

- the earlier biodiversity gain plan is regarded as approved for the purposes of paragraph 13 of Schedule 7A of the Town and Country Planning Act 1990 (as amended) in relation to the planning permission.

Phil Norman
Assistant Director - Planning and Strategic Infrastructure
South Holland District Council

BUILDING REGULATIONS:
This decision refers only to planning permission as granted under the Town and Country Planning Act 1990. The works that you are proposing may also require Building Regulations and this planning permission does not give authority under Building Regulations to commence work. Please contact the Building Control section for further information on 01775 764557 or bcadmin@sholland.gov.uk

RIGHTS OF APPEAL

Appeals to the Secretary of State

If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or grant consent subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990 or Section 20 of the Planning (Listed Building and Conservation Areas) Act 1990.

Timescales for appealing

The deadlines for appeals are calculated from the **date of decision** and are as follows for the types of applications below:

12 Weeks	6 Months	8 Weeks
Householder Applications	Planning Permission	Consent to Display Adverts
Minor Commercial Development	Listed Building Consent	
Agricultural Determinations	Other Prior Approval Applications	
Householder Prior Approval Applications		

https://www.gov.uk/appeal-householder-planning-decision

https://www.gov.uk/appeal-planning-decision

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planning inspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

Enforcement Notices

If an enforcement notice was served prior to the planning application being determined then the deadline for appealing is 28 days from the date of the **planning refusal**.

If an enforcement notice is served after the planning application is determined then the deadline for appealing is 28 days from the date of the **enforcement notice** OR **the timescales stated above for each application type** from the date of the planning refusal - whichever is sooner.

Appeals can be made online at: https://www.gov.uk/planning-inspectorate. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in

giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under the order.

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grant it subject to conditions the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of the Part VI of the Town and Country Planning Act 1990 or Section 32 of the Planning (Listed Building and Conservation Areas) Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him.

These circumstances are set out in Section 114 and related provisions of the Town and Country Planning Act 1990 and Section 27 of the Planning (Listed Building and Conservation Areas) Act 1990.
