Dear Sir/Madam.

Pauline Cooper, (Jo-Hill Line)
Hannath Rd, Tydd Four Gotes, Wisbech. PE13 5NA

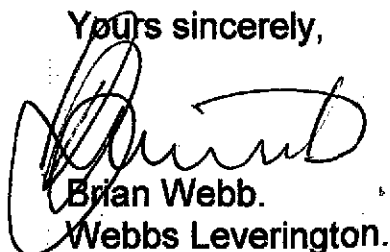

Webb's Leverington Newsagents has being in operation since 1962, whereby we cover twenty villages and the market town of Wisbech seven days a week, 364 days a year.

In the year 2002 we branched into Tydd St Giles, Tydd St Mary, and Tydd Four Gotes, and these villages are in the twenty mentioned above.

Since this time, I have served Pauline Cooper holiday Park Caravan site at Hannath Rd, Tydd Four Gotes, Wisbech, with newspapers and magazines, to not only to the owner of the premises, but to many of occupants staying on the site every week of the year. This arrangement is still carrying on today January 2015.

I trust this information is taken in the context it's given.

Yours sincerely,

Brian Webb.

I have known Mrs Cooper for well over 30 years and have been visiting her premises at Tydd Gote since early 2000, when I first set up my mobile business.

From the very first few occasions I visited Pauline at home I can remember the Northern end of her field often being full of touring caravans with people coming and going, using the facilities and always popping in to see either Pauline or her late husband John for a chat. The area where I park my car overlooks caravans that are stored during the periods when owners are not using them.

This has always been the situation at Pauline's Caravan Site ever since I have visited to attend to Pauline's hair. I also recall conversations with Pauline regarding various characters that would visit Pauline annually long before this time, when she visited the shop where I worked for her regular hair appointments.
