TOWN AND COUNTRY PLANNING ACT 1990

FULL

Reference:	H21-0869-21	**Date of Decision:**	19th November 2021
Applicant:	Mr S Stanberry Tretton Manor Barn Lowgate Tydd St Mary Wisbech PE13 5PD		
Location:	Tretton Manor Barns Lowgate Tydd St Mary Spalding		
Description:	Siting of 2 static caravans - retrospective		

South Holland District Council hereby give notice that this application has been REFUSED for the above proposal for the following reason(s):

1 There is no necessity for the development in this countryside location. Also, the development is not closely related to an existing settlement and would not be readily accessible to existing services and facilities other than by motor vehicle. Moreover, notwithstanding existing boundary hedging, which could be removed, the proposed development would result in a further accumulation of residential development within the countryside, to the detriment of its intrinsic rural character. Taken together, these harmful effects of the scheme amount to adverse impacts which significantly and demonstrably outweigh the personal benefits that the proposed development would deliver. Consequently, the proposed development would not comprise sustainable development.

The proposal is therefore contrary to Policies 1, 2 and 3 of the South East Lincolnshire Local Plan, 2019. Policy 1 indicates that development will be permitted in the countryside that is necessary to such a location and/or where it can be demonstrated that it meets the sustainable development needs of the area in terms of economic, community or environmental benefits. Policies 2 and 3 indicate that sustainable considerations should be met in terms of impact upon the character and appearance of the area and the

relationship to existing development and land uses.

The above policies are consistent with advice within the National Planning Policy Framework, 2021. Section 2 is geared towards the achievement of sustainable development. Paragraph 174 of the Framework states that planning policies and decisions should contribute to and enhance the natural and local environment by recognising the intrinsic character of the countryside. Paragraphs 124 and 130 indicate that new development should be sympathetic to and maintain an area's prevailing character.

2 The South East Lincolnshire Strategic Flood Risk Assessment indicates that the site is located within an area identified as Danger for Some. There are areas elsewhere within the district that are of lower flood risk. The proposal therefore fails to satisfy the sequential test. It is considered that the proposal would not provide wider sustainability benefits to the community that outweigh flood risk. The proposal is therefore contrary to Policies 2 and 4 of the South East Lincolnshire Local Plan, 2019 and advice within paragraphs 161-163 of the National Planning Policy Framework, 2021.

Notes:

The Local Planning Authority has acted positively and proactively in determining this application by assessing it against all material considerations, including national guidance, planning policies and representations that have been received during the public consultation exercise. However, the issues are so fundamental to the proposal that it has not been possible to negotiate a satisfactory solution and due to the harm, which has been clearly identified within the reasons for the refusal, approval has not been possible.

RIGHTS OF APPEAL

Appeals to the Secretary of State

If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or grant consent subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990 or Section 20 of the Planning (Listed Building and Conservation Areas) Act 1990.

Timescales for appealing

The deadlines for appeals are calculated from the **date of decision** and are as follows for the types of applications below:

12 Weeks	6 Months	8 Weeks
Householder Applications	Planning Permission	Consent to Display Adverts
Minor Commercial Development	Listed Building Consent	
Agricultural Determinations	Other Prior Approval Applications	
Householder Prior Approval Applications		

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planning inspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

Enforcement Notices

If an enforcement notice was served prior to the planning application being determined then the deadline for appealing is 28 days from the date of the **planning refusal**.

If an enforcement notice is served after the planning application is determined then the deadline for appealing is 28 days from the date of the **enforcement notice** OR **the timescales stated above for each application type** from the date of the planning refusal - whichever is sooner.

Appeals can be made online at: https://www.gov.uk/planning-inspectorate. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the

Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under the order.

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grant it subject to conditions the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of the Part VI of the Town and Country Planning Act 1990 or Section 32 of the Planning (Listed Building and Conservation Areas) Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him.

These circumstances are set out in Section 114 and related provisions of the Town and Country Planning Act 1990 and Section 27 of the Planning (Listed Building and Conservation Areas) Act 1990.
