South Holland District Council hereby give notice that PERMISSION HAS BEEN REFUSED for the development for the following reason(s):

The site is outside the confines of a settlement in an area of open countryside where it is the policy of the Local Planning Authority to permit new development only in exceptional cases where it is satisfied that there is a special need, particularly in connection with agriculture. Such a need has not been demonstrated and the proposal is not regarded as acceptable infilling. Consequently, the proposal is considered to be contrary to Structure Plan Policies 6A and 7A, District Local Plan Policies H3 and H5 and emerging Structure Plan Policy 13. These are in accordance with national planning policies as set out in Planning Policy Guidance Note No. 7 (The Countryside - Environmental Quality and Economic and Social Development), and are aimed at the conservation of agricultural land, the preservation of the character of the countryside, and the economic provision of services. In the opinion of the Local Planning Authority the granting of permission for the development as proposed would be harmful to the purpose of these policies because, as well as its individual effect on these issues, it would encourage further similar proposals which would be difficult to resist.

The determined plans are:-

1:1250 scale location plan received 18 September 2000.
