Thank you for consulting us on this.

At present, this office is not in a position to recommend the full discharge of Condition 16 (H22-1249-21), relating to the submission of the archaeological final report, until a museum archive deposition receipt has been provided.

Condition 16: A copy of the final report required in connection with the necessary archaeological work above shall be submitted within three months of the work being carried out to the Local Planning Authority and the Lincolnshire Historic Environment Record. The material and paper archive required as part of the written scheme of investigation shall be deposited with an appropriate archive in accordance with guidelines published in The Lincolnshire Archaeological Handbook.

Reason: To ensure satisfactory arrangements are made for the recording of possible archaeological remains in accordance with national guidance contained in Section 16 of the National Planning Policy Framework, 2021. This Condition is imposed in accordance with Policy 29 of the South East Lincolnshire Local Plan, 2019.
