Location: Broadgate House 696 Broadgate Weston Spalding

Description: Proposed barn conversion

South Holland District Council hereby give notice that this application has been GRANTED (or equivalent) subject to the following condition(s):

1 The development must be begun not later than the expiration of three years beginning with the date of this permission.

Reason: As required by Section 91 of the Town and Country Planning Act 1990 as amended by the Planning and Compulsory Purchase Act 2004.

2 The development hereby permitted shall be carried out in accordance with the following approved plans:
Dwgs. no. J077-PL 1B, J077 PL2A, J077-PL 3B, J077 PL4A and J077-PL 5B. Planning Design and Access Statement ref: J077 PDA (26th February 2017), Phase 1 Desk Study and Phase 2 Intrusive Ground investigation ref: R16074 (January 2017).Tree Constraints and Protection Report: Mark Hudson (September 2015). Protected Species Survey: CBE Consulting (January 2016).

Reason: For the avoidance of doubt and in the interests of proper planning.

3 Before the commencement of the development hereby permitted beyond oversite a schedule of external materials of construction of buildings and hard surfaced areas shall be submitted to and approved in writing by the Local Planning Authority. The development shall be constructed in accordance with the materials so approved.

Reason: To ensure that the Local Planning Authority retains control over the external materials of construction of the development in the interests of the character and appearance of the development and the visual amenity of the area in which it is set.
This Condition is imposed in accordance with Policy HS16 of the South Holland Local Plan 2006 and national guidance contained in Section 12 of the National Planning Policy Framework 2012.

4 A one metre square freestanding panel of brickwork showing the type of brick to be used in the development shall be constructed on site and approved by the Local Planning Authority before commencement. All brickwork used in the construction of the development shall match that of the approved panel in terms of the type of bricks used, the method of bonding, mortar colour and pointing style. The brickwork panel so constructed shall be retained on the site until the development has been completed.

Note: The choice of brick bond, mortar mix design and pointing technique shall match that existing, as closely as possible.

Reason: To ensure that the Local Planning Authority retains control over these details of the development in the interests of the architectural and historic character of the existing buildings, and the character and visual amenity of the locality. This issue is integral to the development and therefore full details need to be finalised prior to the commencement of works.
This Condition is imposed in accordance with Policy HS16 of the South Holland Local Plan 2006 and national guidance contained in Section 12 of the National Planning Policy Framework, 2012.

5 Prior to their installation full details of the proposed roof light(s) shall be submitted to and approved in writing by the Local Planning Authority. The roof light(s) shall be installed in accordance with the approved details and thereafter so maintained.

Note: The applicant is advised that a flush fitting rooflight of traditional design, having a slim metal frame and central vertical glazing bar, would be appropriate.

Reason: To ensure that the Local Planning Authority retains control over these details of the development in the interests of the character and appearance of the development and the visual amenity of the area in which it is set.
This Condition is imposed in accordance with Policy SG14 of the South Holland Local Plan, 2006.

6 All asbestos cement roof sheets require removal by suitably qualified contractors prior to the demolition of any buildings (see recommendations made in section 8 of page 17 of the Phase 1 Desk Study and Phase 2 Intrusive Ground investigation report).

In the event that contamination is found at any time when carrying out the approved development that was not previously identified it must be reported immediately to

Environmental Health. An investigation and risk assessment must be undertaken in accordance with details to be agreed with Environmental Health. Where remediation is necessary, a remediation scheme must be submitted to and approved in writing by Environmental Health. Following completion of measures identified in the approved remediation scheme a verification report shall be submitted to and approved by Environmental Health.

Reason: To assess whether the site is polluted and to address any pollution to ensure a satisfactory development. This issue is integral to the development and therefore full details need to be finalised prior to the commencement of works.
This Condition is imposed in accordance with Policy SG13 of the South Holland Local Plan, 2006.

7 Details of the design of all external doors (including the garage doors) and door frames to be utilised in the development hereby permitted shall be submitted to and approved in writing by the Local Planning Authority prior to their installation. Such details shall indicate, at a scale of not less than 1:10, the longitudinal and cross-sectional detailing (including reveals), threshold and lintol detailing, and means of opening. The doors and door frames shall be installed in accordance with the approved details and thereafter so maintained.

Reason: To ensure that the Local Planning Authority retains control over these details of the development in the interests of the architectural and historic character of the existing buildings, and the character and visual amenity of the locality.
This Condition is imposed in accordance with Policy HS16 of the South Holland Local Plan 2006 and national guidance contained in Section 12 of the National Planning Policy Framework, 2012.

8 Details of the window frames to be utilised in the development hereby permitted, including samples if so required, shall be submitted to and approved in writing by the Local Planning Authority prior to their installation. Such details shall indicate, at a scale of not less than 1:10, the longitudinal and cross-sectional detailing (including reveals), cill and lintol detailing, and means of opening. The window frames shall be installed in accordance with the approved details and thereafter so maintained.

Reason: To ensure that the Local Planning Authority retains control over these details of the development in the interests of the architectural and historic character of the existing buildings, and the character and visual amenity of the locality.
This Condition is imposed in accordance with Policy HS16 of the South Holland Local Plan 2006 and national guidance contained in Section 12 of the National Planning Policy Framework, 2012.

9 All new window frames, glazing bars and external doors and door frames shall be of timber construction and thereafter so maintained.

Reason: In the interests of the architectural and historic character of the existing buildings, and the character and visual amenity of the locality.
This Condition is imposed in accordance with Policy HS16 of the South Holland Local Plan 2006 and national guidance contained in Section 12 of the National Planning Policy Framework, 2012.

10 Details of the design and positions of all external boxes for gas and electricity supplies and of any gas flues and soil vent pipes shall be submitted to and approved in writing by the Local Planning Authority prior to their installation and there shall be no variation from the details so approved.

Reason: To ensure that the Local Planning Authority retains control over these details of the development in the interests of the architectural and historic character of the existing buildings, and the character and visual amenity of the locality.
This Condition is imposed in accordance with Policy HS16 of the South Holland Local Plan 2006 and national guidance contained in Section 12 of the National Planning Policy Framework, 2012.

11 Details of the proposed fence to close the access between the main barn and cottage to be submitted and approved prior to installation. Notwithstanding the approved drawings, the overall height of the fence should not exceed 1.5 metres.

Reason: To ensure that the Local Planning Authority retains control over these details of the development in the interests of the architectural and historic character of the existing buildings, and the character and visual amenity of the locality.
This Condition is imposed in accordance with Policy HS16 of the South Holland Local Plan 2006 and national guidance contained in Section 12 of the National Planning Policy Framework, 2012.

12 Details of the external illumination of all buildings and areas of the site, including details of luminance and fields of illumination, shall be submitted to and approved in writing by the Local Planning Authority before the first use of those buildings and areas and there shall be no external illumination other than that so approved.

Reason: To ensure that the Local Planning Authority retains control over these matters, in the interests of the architectural and historic character of the existing buildings and to prevent light pollution.
This condition is imposed in accordance with Policies SG13 and HS16 of the South Holland Local Plan 2006 and national guidance contained in Section 12 of the National Planning Policy Framework, 2012.

13 Mitigation measures to wildlife shall be carried out in accordance with the approved Protected Species Survey prepared by CBE Consulting (January 2016).

Reason: In the interest of nature conservation and because owls and bats are protected under the Wildlife and Countryside Act, 1981.
This Condition is imposed in accordance with advice within Section 11 of the National Planning Policy Framework, 2012.

14 Before the commencement of the development hereby permitted beyond oversite, the approval of the Local Planning Authority is required to a scheme of landscaping and tree planting for the site indicating, inter alia, the number, species, heights on planting and positions of all the trees and hedges, together with details of post-planting maintenance. Such scheme as is approved by the Local Planning Authority shall be carried out in its entirety within a period of twelve months beginning with the date on which development is commenced. All trees, shrubs, bushes and hedges shall be maintained by the owner or

owners of the land on which they are situated for the period of five years beginning with the date of completion of the scheme and during that period all losses shall be made good as and when necessary.

Note: The applicant is recommended to employ a qualified and experienced landscape designer to produce a landscaping scheme for the development.

Reason: To ensure that the development is adequately landscaped, in the interests of its visual amenity and that of the area in which it is set.
This Condition is imposed in accordance with Policy SG18 of the South Holland Local Plan, 2006.

15 The rainwater goods utilised in the development hereby permitted shall be of metal construction, coloured black and thereafter so maintained.

Reason: In the interests of the architectural and historic character of the existing buildings, and the character and visual amenity of the locality.
This Condition is imposed in accordance with Policy HS16 of the South Holland Local Plan 2006 and national guidance contained in Section 12 of the National Planning Policy Framework, 2012.

16 The guttering to the development hereby permitted shall be fixed to the external walls by means of gutter spikes/rise and fall brackets and no fascia boarding shall be used.

Reason: In the interests of the architectural and historic character of the existing buildings, and the character and visual amenity of the locality.
This Condition is imposed in accordance with Policy HS16 of the South Holland Local Plan 2006 and national guidance contained in Section 12 of the National Planning Policy Framework, 2012.

17 Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015, (or any Order or Statutory Instrument revoking and re-enacting that Order), none of the following developments or alterations shall be carried out.

i) the erection of freestanding curtilage buildings or structures including car ports, garages, sheds, greenhouses, pergolas or raised decks;
ii) the erection of house extensions including dormer windows, conservatories, garages, car ports, porches or pergolas;
iii) alterations including the installation of replacement or additional windows or doors and the installation of roof windows.

Reason: To ensure that the Local Planning Authority retains control over the future extension and alteration of the development, in the interests of its architectural and visual integrity, levels of residential amenity and the visual amenity and character of the area within which it is set.
This Condition is imposed in accordance with Policies SG14 and SG17 of the South Holland Local Plan, 2006.

18 Prior to the commencement of works, scaled drawings at a detail of 1:100 illustrating the access and turning spaces shall be submitted and approved in writing by the Local

Planning Authority. Before the dwellings are occupied, the access and turning space shall be completed in accordance with the approved plan and retained for that use thereafter.

Reason: To ensure safe access to the site and each dwelling/building in the interests of residential amenity, convenience and safety and to allow vehicles to enter and leave the highway in a forward gear in the interests of highway safety.

This Condition is imposed in accordance with Policies SG14 and SG15 of the South Holland Local Plan, 2006.

Notes:

The Local Planning Authority has acted positively and proactively in determining this application by assessing it against all material considerations, including national guidance, planning policies and representations that have been received during the public consultation exercise, and by identifying matters of concern within the application and negotiating, with the Applicant, acceptable amendments to the proposal to address those concerns. As a result, the Local Planning Authority has been able to grant planning permission for an acceptable proposal.

RIGHTS OF APPEAL

Appeals to the Secretary of State

If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or grant consent subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990 or Section 20 of the Planning (Listed Building and Conservation Areas) Act 1990.

Timescales for appealing

The deadlines for appeals are calculated from the **date of decision** and are as follows for the types of applications below:

12 Weeks	6 Months	8 Weeks
Householder Applications	Planning Permission	Consent to Display Adverts
Minor Commercial Development	Listed Building Consent	
Agricultural Determinations	Other Prior Approval Applications	
Householder Prior Approval Applications		

Enforcement Notices

If an enforcement notice was served prior to the planning application being determined then the deadline for appealing is 28 days from the date of the **planning refusal**

If an enforcement notice is served after the planning application is determined then the deadline for appealing is 28 days from the date of the **enforcement notice** OR **the timescales stated above for each application type** from the date of the planning refusal - whichever is sooner.

All appeals must be made using an Appeal Form which you can get from The Planning Inspectorate at Temple Quay House, 2 The Square, Bristol, BS1 6PN (tel: 0303 444 5000) or you can submit your appeal online at:

http://www.planningportal.gov.uk/planning/appeals/online/makeanappeal

The Secretary of State can allow a longer period for giving notice of an appeal but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the

provisions of the development order and to any directions given under the order. In practice the Secretary of State does not refuse to consider appeals solely because the Local Planning Authroity based its decision on a direction given by him.

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grant it subject to conditions the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of the Part VI of the Town and Country Planning Act 1990 or Section 32 of the Planning (Listed Building and Conservation Areas) Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him.

These circumstances are set out in Section 114 and related provisions of the Town and Country Planning Act 1990 and Section 27 of the Planning (Listed Building and Conservation Areas) Act 1990.
