for
MR & MRS G BOWATER

A	CLIENTS ALTS	FEB 17	

DO NOT SCALE FROM THIS DRAWING

This drawing is the property of the Author. The contents are not to be used for any purpose other than that for which it is issued. No responsibility can be accepted for dimensions taken from scaling. Any discrepancies found on site must be reported to the Author before any work is put in hand. Any variations from the drawings must be agreed with the Author before the commencement of the work. Any discrepancies found between the drawings and the specification must be reported to the Author before any work is put in hand. Any variations from the drawings must be agreed with the Author before the commencement of the work. It is the responsibility of the contractor and all sub-contractors to familiarise themselves with all the relevant Building Regulations and any other statutory requirements and to ensure that all work complies with these requirements. All dimensions are to be checked on site and any discrepancies shall be reported to the Author before any work is put in hand. Any variations from the drawings must be agreed with the Author before the commencement of the work. All materials and workmanship are to be in accordance with the latest British Standard Specifications and Codes of Practice. The Contractor is to provide adequate temporary bracing and shoring where necessary during construction and is to be responsible for the stability of the building and safety of the site. Any proposed alterations to the drawings must be approved by the Author before any work is put in hand
