Description of Proposed Works

Please describe the proposed works

We've erected a 2meter 48cm fence which is attached to our raised beds. This fence is supported by posts bolted to the raised beds. Three of these posts go into the ground on our boundary. The fence was erected to provide more privacy for us and our neighbours at 87 High Road, Weston. Prior to the fence being erected we were able to see into our neighbours kitchen via their patio doors and visa versa. The fence height was decided and installed to provide more privacy for both our and our neighbouring family The Eldredges.

It is an important principle of decision-making that the process is open and transparent.
