period of two years beginning with the date on which development of the land is commenced. The trees, shrubs or bushes shall be adequately maintained by the owner(s) of the land on which they are situated for a period of ten years beginning with the date of completion of the scheme, and all losses shall be made good during that period.

Reason: In the interests of visual amenity and to ensure that the approved scheme is implemented satisfactorily.

4 Before development is commenced details of screening along the north-eastern and south-western boundaries of the site shall be submitted to and approved in writing by the Local Planning Authority. Such a scheme as may be approved shall be fully implemented before occupation.

Reason: In the interests of the amenities of the locality.

5 Before the dwelling is commenced the existing buildings upon the site shall be demolished and associated rubble cleared from the site.

Reason: To ensure a satisfactory development, in the interests of the amenities of the locality.

6 Before the new dwelling is commenced a 1.8 metre wide footway shall be constructed along the whole of the site's frontage to Broadgate, in accordance with details to be submitted to and approved in writing by the Local Planning Authority.

Reason: To ensure the provision of safe and adequate means of passage on foot for residents and their visitors.

7 Prior to the commencement of development a scheme shall be submitted to the Local Planning Authority for the satisfactory disposal of highway surface water run-off. The scheme as approved shall be completed prior to the occupation of the dwelling hereby permitted.

Reason: To ensure that the highway and adjacent land is not adversely affected by flooding as a consequence of the permitted development.

8 Before the access is commenced to be used, provision shall be made within the site to the satisfaction of the Local Planning Authority for a motor vehicle to turn to enable it to enter and leave the highway in forward gear.

Reason: To enable vehicles to enter and leave the highway in forward gear in the interests of road safety.

9 The development shall not be commenced until details of an investigation and assessment of ground conditions has been submitted to and approved in writing by the Local Planning Authority. The investigation/assessment shall identify any possible contamination of the site, plus any remedial action necessary to safeguard future occupiers of the dwelling on the site in respect of any contamination. Any identified remedial measures shall be undertaken in total before the commencement of the dwelling.

Reason: To safeguard the residential amenities of future occupiers of the dwelling.

The determined plans are:-
1:2500 plan received on 10 Apr 00.

The permitted development will require the provision of a new vehicular access crossing. Applicants are requested to contact the Local Highway Authority's Divisional Office at Pode Hole - (Tel: 01775 769091) prior to the commencement of any works within the public highway.
