TOWN AND COUNTRY PLANNING ACT 1990 FULL

Reference: H22-0601-18 **Date of Decision:** 22nd August 2018
Applicant: Mr & Mrs G Congreve
284 Broadgate
Weston Hills
Spalding
Lincs
PE12 6DA
Location: Adjacent: 284 Broadgate Weston Hills Spalding
Description: Residential development - bungalow with detached triple garage

South Holland District Council hereby give notice that this application has been REFUSED for the above proposal for the following reason(s):

- 1 The proposed scheme would make a small contribution towards addressing the shortfall in housing in the District and to a limited extent would help support the few local services that exist in the village. The scheme would generate some construction employment, although by its nature this benefit would be short lived. It would also, by increasing the local population, increase by a small amount the spending power of the local economy. The proposed development would therefore result in some social and economic benefits.

However, these matters are outweighed by other social factors such as the distance from local services, poor accessibility and reliance upon the motor car. The site is not therefore considered to be suitable for housing with particular regards to the principles of sustainable development. The proposal is therefore contrary to Policies SG1, SG2, SG4 and HS7 of the South Holland Local Plan and advice within the National Planning Policy Framework, 2018.

Moreover, the site has not been included within Weston Hills Settlement Boundary within the South East Lincolnshire Local Plan (SELLP) 2011-2036 (Publication Version March

2017) due to conflict with the Plan's locational strategy. It defines Weston Hills as an "Other Service Centre", which is low in the settlement hierarchy and does not have the services or ability to accommodate further growth. Weston Hills is therefore identified as an area of "development restraint" and the emerging Local Plan only provides minimal opportunity for frontage infill.

The SELLP has recently undergone an examination in public. In accordance with advice within 48 and 49 of the National Planning Policy Framework, 2018, it should be given weight. The proposal, if permitted, would encourage further applications of a similar nature which would cumulatively prejudice the preparation of the emerging Local Plan, the aims and objectives of which are to achieve a five year supply of deliverable housing sites and ensure that new development is in a sustainable location.

Notes:

The Local Planning Authority has acted positively and proactively in determining this application by assessing it against all material considerations, including national guidance, planning policies and representations that have been received during the public consultation exercise. However, the issues are so fundamental to the proposal, due to the harm which has been clearly identified within the reason for the refusal, that approval has not been possible.

RIGHTS OF APPEAL

Appeals to the Secretary of State

If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or grant consent subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990 or Section 20 of the Planning (Listed Building and Conservation Areas) Act 1990.

Timescales for appealing

The deadlines for appeals are calculated from the **date of decision** and are as follows for the types of applications below:

12 Weeks	6 Months	8 Weeks
Householder Applications	Planning Permission	Consent to Display Adverts
Minor Commercial Development	Listed Building Consent	
Agricultural Determinations	Other Prior Approval Applications	
Householder Prior Approval Applications		

Enforcement Notices

If an enforcement notice was served prior to the planning application being determined then the deadline for appealing is 28 days from the date of the **planning refusal**

If an enforcement notice is served after the planning application is determined then the deadline for appealing is 28 days from the date of the **enforcement notice** OR **the timescales stated above for each application type** from the date of the planning refusal - whichever is sooner.

All appeals must be made using an Appeal Form which you can get from The Planning Inspectorate at Temple Quay House, 2 The Square, Bristol, BS1 6PN (tel: 0303 444 5000) or you can submit your appeal online at:

<http://www.planningportal.gov.uk/planning/appeals/online/makeanappeal>

The Secretary of State can allow a longer period for giving notice of an appeal but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the

provisions of the development order and to any directions given under the order. In practice the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based its decision on a direction given by him.

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grant it subject to conditions the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of the Part VI of the Town and Country Planning Act 1990 or Section 32 of the Planning (Listed Building and Conservation Areas) Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him.

These circumstances are set out in Section 114 and related provisions of the Town and Country Planning Act 1990 and Section 27 of the Planning (Listed Building and Conservation Areas) Act 1990.
