DESIGN RATIONALE.

- To enhance the landscape value of the development site.
- Use planting to provide an attractive setting & soft foil for new dwellings.
- To provide a robust landscape requiring relatively low maintenance input.
- Use hedge planting to create structure & delineate private space.
- Improve biodiversity using planting to provide food sources, roosting & nesting sites.
- Provide a variety of plants to create seasonal interest & colour.

PLANTING NOTES.

- This drawing is to be read in conjunction with the accompanying Planting Schedule. It should also be read with Drawing No. WSD/19/02 which includes details for Planting Beds (D, E, F & G.
