I have reviewed the STUART GUY CONSULTING Stage One Environmental Desk Study of 87, Moulton Chapel Road, Moulton Chapel Spalding, Lincolnshire PE12 0XD 5th March 2020 REPORT NUMBER 20-02-02 which applies to the adjacent site. Unfortunately it makes not mention of the current site in question, and I request that it be updated with a minimum of a site walk over survey of the actual site such that any potential pollutant linkages can be identified.
