TOWN AND COUNTRY PLANNING ACT 1990

OUTLINE

Reference: H22-0730-17 **Date of Decision:** 18th December 2017

Applicant: Ms Poll
415 Broadgate
Weston Hills
Spalding
Lincs
PE12 6DB

Location: Land Fronting Fairfields 409 Broadgate Weston Hills Spalding

Description: Proposed detached bungalow and detached garage

South Holland District Council hereby give notice that this application has been REFUSED for the above proposal for the following reason(s):

1 The site is located within an area that is identified as open countryside. The proposal constitutes a ribbon development extending into the open countryside, to the detriment of its existing rural character. The proposal would also encourage applications of a similar nature, which would then be hard to resist.

Consequently, the site is not considered to be a suitable site for housing with particular regards to the principles of sustainable development and the protection of the rural character of the countryside. It is therefore contrary to Policies SG1, SG2, SG4 and HS7 of the South Holland Local Plan and Paragraphs 7, 8, 14, 17, 49 and 55 of the National Planning Policy Framework, 2012. Paragraphs 14, 17 and 49 indicate that new housing should be in a sustainable location and contribute towards protecting and enhancing the environment. Paragraph 55 stresses that local planning authorities should avoid new homes in the countryside, unless there are special circumstances.

2 Furthermore, the location, in conjunction with the requirement on flood risk grounds to raise finished floor levels by at least 800mm, would likely lead to an significant and

demonstrable adverse impact upon the amenity of 409 Broadgate by virtue of overbearing and loss of privacy. As such, the proposal is contrary to Section 7 of the National Planning Policy Framework (NPPF, 2012), which seeks a high quality of design, as well as Policies SG14 and SG17 of the South Holland Local Plan, 2006. These local policies indicate that new development should make a positive contribution to the character and appearance of the locality and not impact negatively on existing residential amenity. They are in accordance with national guidance within Section 7 of the NPPF, and as such still carry material weight in planning decisions.

Notes:

The Local Planning Authority has acted positively and proactively in determining this application by assessing it against all material considerations, including national guidance, planning policies and representations that have been received during the public consultation exercise. However, the issues are so fundamental to the proposal, due to the harm which has been clearly identified within the reasons for the refusal, that approval has not been possible.

This decision notice, the relevant accompanying report and the determined plans can be viewed online at http://planning.sholland.gov.uk/OcellaWeb/planningSearch

The determined plans are: Flood Risk Assessment (Prepared by S M Hemmings - Registered 16 November 2017), A101 & A101A-A

Place Manager
South Holland District Council

BUILDING REGULATIONS:
This decision refers only to planning permission as granted under the Town and Country Planning Act 1990. The works that you are proposing may also require Building Regulations and this planning permission does not give authority under Building Regulations to commence work. Please contact the Building Control section for further information on 01775 764557 or bcadmin@sholland.gov.uk

RIGHTS OF APPEAL

Appeals to the Secretary of State

If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or grant consent subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990 or Section 20 of the Planning (Listed Building and Conservation Areas) Act 1990.

Timescales for appealing

The deadlines for appeals are calculated from the **date of decision** and are as follows for the types of applications below:

12 Weeks	6 Months	8 Weeks
Householder Applications	Planning Permission	Consent to Display Adverts
Minor Commercial Development	Listed Building Consent	
Agricultural Determinations	Other Prior Approval Applications	
Householder Prior Approval Applications		

Enforcement Notices

If an enforcement notice was served prior to the planning application being determined then the deadline for appealing is 28 days from the date of the **planning refusal**

If an enforcement notice is served after the planning application is determined then the deadline for appealing is 28 days from the date of the **enforcement notice** OR **the timescales stated above for each application type** from the date of the planning refusal - whichever is sooner.

All appeals must be made using an Appeal Form which you can get from The Planning Inspectorate at Temple Quay House, 2 The Square, Bristol, BS1 6PN (tel: 0303 444 5000) or you can submit your appeal online at:

http://www.planningportal.gov.uk/planning/appeals/online/makeanappeal

The Secretary of State can allow a longer period for giving notice of an appeal but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the

provisions of the development order and to any directions given under the order. In practice the Secretary of State does not refuse to consider appeals solely because the Local Planning Authroity based its decision on a direction given by him.

For detailed information on appeals, appeal types and guidance on the appeals process please visit:

http://www.planningportal.gov.uk/planning/appeals/planningappeals

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grant it subject to conditions the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of the Part VI of the Town and Country Planning Act 1990 or Section 32 of the Planning (Listed Building and Conservation Areas) Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him.

These circumstances are set out in Section 114 and related provisions of the Town and Country Planning Act 1990 and Section 27 of the Planning (Listed Building and Conservation Areas) Act 1990.
