TOWN AND COUNTRY PLANNING ACT 1990

FULL

Reference:	H22-0776-26	Date of Decision:	9th October 2026
Applicant:	Mr A Goddard Elderberry Lodge 172 Broadgate Weston Hills Spalding PE12 6DQ		
Location:	Elderberry Lodge 172 Broadgate Weston Hills Spalding		
Description:	Use of land for the parking of private motor vehicles and domestic trailers - retrospective		

South Holland District Council, in pursuance of the provisions of the Town and Country Planning Act 1990 (as amended), hereby give notice that permission has been REFUSED (or equivalent) for the development referred to above, for the following reason(s):

- 1 The application site is located outside of any settlement boundary as defined within the South East Lincolnshire Local Plan and as such is considered to be within the countryside and comprises an out of settlement location. Based upon the information provided, it is not considered that the application site is within the domestic curtilage of Elderberry Lodge.

Policy S5 of the National Planning Policy Framework, 2026, outlines that only certain forms of development would be permissible within an out of settlement location. It is considered that the proposal would not align with any of the circumstances outlined in Policy S5 of the Framework, and would therefore represent unjustified and unacceptable development outside of a settlement.

The proposal would therefore be contrary to Policy S5 of the National Planning Policy Framework, 2026, and Policy 1 of the South East Lincolnshire Local Plan, 2019.

- 2 It is considered that the proposal represents potential harm to an archaeological site judged to be a non-designated heritage asset.

The Lincolnshire County Council's Historic Places Team, functioning as the Planning Authority's archaeological advisors, have identified that the site may be of archaeological importance. Policy HE5 of the National Planning Policy Framework, 2026, and Policy 29 of the South East Lincolnshire Local Plan, 2019, outline that proposal which may impact upon heritage assets, including sites of archaeological interest and non-designated heritage assets, should be supported by an appropriate desk-based assessment and, where necessary, a field evaluation to outline the potential importance of the asset and the harm potential generated to this asset as a result.

No assessment to this effect have been provided, and no formal archaeological detail has been provided by the applicant in any form, and therefore, it cannot be demonstrated that the proposal would not detrimentally impact upon a site of archaeological interest, which by extension would constitute harm to a non-designated heritage asset. On this basis, the proposal is considered to be contrary to Policy HE5 of the Framework, as well as Policy 29 of the South East Lincolnshire Local Plan, 2019.

Notes:

The Local Planning Authority has acted positively and proactively in determining this application by assessing it against all material considerations, including national guidance, planning policies and representations that have been received during the public consultation exercise. However, the issues are so fundamental to the proposal, due to the harm which has been clearly identified within the reason(s) for the refusal, that approval has not been possible.

RIGHTS OF APPEAL

Appeals to the Secretary of State

If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or grant consent subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990 or Section 20 of the Planning (Listed Building and Conservation Areas) Act 1990.

Timescales for appealing

The deadlines for appeals are calculated from the **date of decision** and are as follows for the types of applications below:

12 Weeks	6 Months	8 Weeks
Householder Applications	Planning Permission	Consent to Display Adverts
Minor Commercial Development	Listed Building Consent	
Agricultural Determinations	Other Prior Approval Applications

<https://www.gov.uk/appeal-householder-planning-decision>

<https://www.gov.uk/appeal-planning-decision>

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planning-inspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

Enforcement Notices

If an enforcement notice was served prior to the planning application being determined then the deadline for appealing is 28 days from the date of the **planning refusal**.

If an enforcement notice is served after the planning application is determined then the deadline for appealing is 28 days from the date of the **enforcement notice** OR the **timescales stated above for each application type** from the date of the planning refusal - whichever is sooner.

Appeals can be made online at: <https://appeal-planning-decision.service.gov.uk/before-you-start>. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in

giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under the order.

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grant it subject to conditions the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of the Part VI of the Town and Country Planning Act 1990 or Section 32 of the Planning (Listed Building and Conservation Areas) Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him.

These circumstances are set out in Section 114 and related provisions of the Town and Country Planning Act 1990 and Section 27 of the Planning (Listed Building and Conservation Areas) Act 1990.
