Hi hannah,

Please see below quotation just received regarding the waste disposal confirming weekly collections of 240ltr wheelie bins, thought this might help with planning

Kind regards

Ryan

Hello,

Thanks for coming back to me with your requirements. Please see below for your waste disposal quote.

MONTHLY CHARGE = £185 + VAT (FIXED FOR 12 MONTHS)

3 x 240 Litre General Waste Bin (15kg Weight Allowance) - Weekly

- One simple invoice with a fixed monthly cost so you know exactly how much you will be charged each month
- No excess weight charges if you exceed the weight allowance of your bin – all we ask is you play fair and abide by our fair usage policy. More can be found on our website
- No Duty of Care renewals in the future
- No increases in collection charges due to Landfill charges
- A full subscription waste service, you simply fill your bin and forget about it, leaving you free to run your business

Regards

Good afternoon Andrew,

We can confirm the following in relation to the queries raised:

- Looking for general waste and recycling collections on a weekly basis
- 240 litre wheelie bins would be ideal

- say once a week for collection
- This is a new development of 3no. properties which require private refuse collection from the planning committee, so there is no contract in place currently. Please see attached drawing of the site layout for reference

Kind regards

Ryan Scott

Hi,

I have tried to contact you in relation to the request you made for waste disposal quotes.

Unfortunately, I was unable to contact you on the number provided - for me to be able to provide you with a quote I require the following information:

- What type of waste (General, Mixed Recycling, Clinical, Sharps, other)?
- What size containers do you need?
- How often do they need to be picked up?
- If you're in a contract currently, who with and when does it end?

I have attached pictures of the sizes and dimensions of our most popular bins - I look forward to hearing from you.

- 1100 litres (holds 18-20 black bin bags of rubbish)
- 660 litres (holds 10-12 black bin bags of rubbish)
- 360 litres (holds 6-7 black bin bags of rubbish)
- 240 litres (holds 4-5 black bin bags of rubbish)

I look forward to hearing from you.
