7. INDUSTRIAL, WAREHOUSING, OFFICES OR SHOPS

Please tick one box

A. The proposal does not involve any change in existing floorspace

B. The proposal involves the following change of use of the gross floorspace

Industrial	
Warehousing	
Offices	
Shops	

How many additional employees will there be on the site as a result of the development? If you have existing premises, how many employees will be transferred?

If you propose to transfer part of your business, give details of the number of employees affected.

In the case of industrial proposals, what type of processes is to be carried on, and for what type of goods is the factory designed?

If the proposal involves the erection of new buildings, what is the gross floorspace of the proposed development?

Is the proposed development to be carried out in phases?

If so, please specify the phases.

Is this a proposal for the relocation of your business from elsewhere within the Borough? If so, please state your present address.

If so, please give details of the size of your present premises and the number of employees at your present address.

What provision has been made for the parking and unloading of vehicles? (Please show this on the plans submitted and distinguish between vehicles kept on the site and other people's vehicles.)

What is the estimated number of vehicle movements per day to and from the site, including movements by employees, but excluding movements by visitors to the site?

What is the nature of the goods to be dealt with, and the method of disposal of waste materials?

Will the proposed use result in the emission of smoke, fumes, gases, dust, steam, smell or noise?

What provision is to be made for the disposal of effluent?
