Dear Sirs

Proposed new opening and window to kitchen at 8 Austendyke Road, Weston Hills, PE12 6BX for Mr Andrew Oglesby – application for retrospective Householder Planning Approval

Please find attached the following documents forming my application for Householder Planning Permission to my bungalow at the above address:

1. A1275-01 - Site location and block plans as existing.
2. A1275-10 - Plans and elevations as existing and proposed.
3. Completed and signed application form.
4. Photo of window as installed (See next sheet of this letter).

Please note that this application is for retrospective approval for one new window within the side wall of the kitchen. This is located at ground floor level above the sink in the west wall of the kitchen. The outlook from the window is across the rear of the bungalow, i.e. across the property's own private garden space. The site boundary is 11m away and is defined by a solid, 1.8m high close boarded timber fence. The window cannot be seen from the road frontage, nor either of the neighbouring properties.

I will phone in to pay the fee of £206 shortly.

I hope that you will find this application pack complete, however should you have any queries please contact me at [REDACTED]

Kind regards

Andrew Oglesby
