Drawing
FLOOR PLANS & ELEVATIONS - PROPOSED.

Job Ref.	Drawing No.
1280-05.	04.
Date: AUGUST '06.	Drawn: GRM.

Scales
1/50. 1/100.

DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be altered, traced, photographed or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including foundations are based upon typical site conditions related to the area. No responsibility can be accepted for abnormal conditions which may be encountered during construction where exposed to the Architect's view. Foundation depths may be conventional, piling or trench fill and must be checked by Building Control to establish specific site conditions before foundation work is undertaken. This drawing is limited to the amount of information contained and does not purport to contain a full specification of the works. It is solely for the purpose of obtaining Planning / Building Regulation approval. This drawing must not be relied upon as a construction document when. The works will not be supervised or inspected on site by G R Merchant and any Contractor / Person who undertakes works shown on this drawing must employ their own competent person to supervise the construction and be responsible for all temporary works and safety precautions.
