Reason: For the avoidance of doubt and in the interests of proper planning.

- 3 Notwithstanding the submitted drawings, prior to the commencement of any part of the development hereby permitted, detailed engineering drawings for the alterations and highway improvements to High Road in the vicinity of the proposed entrance to the permitted development shall be submitted to and approved in writing by the Local Planning Authority. The submitted engineering drawings shall show how the existing Ghost Island Right-turn Lane serving Wimberly Close will be altered to allow vehicles to turn safely into both Wimberly Close and the permitted development and shall include details of how the existing bus stop on High Road will be will be relocated to a safe and suitable position away from the new junction into the permitted development.

Reason: In the interests of the safety and free passage of all those using the adjacent public highway.

This Condition is imposed in accordance with Policy 2 of the South East Lincolnshire Local Plan, 2019.

- 4 The development hereby permitted shall be undertaken in accordance with a Construction Management Plan and Method Statement that shall first be submitted to, and approved in writing by, the Local Planning Authority.

The Construction Management Plan and Method Statement shall indicate measures to mitigate against the adverse impacts of vehicle movements and vehicle parking and shall include;

- the phasing of the development to include access construction;
- the on-site parking of all vehicles;
- the on-site loading and unloading of plant and materials;
- the on-site storage of plant and materials used in constructing the development;
- wheel washing facilities;
- a strategy for the management of surface water run-off and the protection of sustainable drainage features during construction. This should include details demonstrating how the drainage systems (permanent or temporary) will connect to an outfall (permanent or temporary) during construction.

Reason: In the interests of the safety and free passage of those using the adjacent public highway and to ensure that the permitted development is adequately drained without creating or increasing flood risk to land or property adjacent to, or downstream of, the permitted development during construction.

This Condition is imposed in accordance with Policies 2, 3 and 4 of the South East Lincolnshire Local Plan, 2019.

- 5 Before each dwelling is occupied, the roads and footways providing access to that dwelling, for the whole of its frontage from an existing public highway, shall be constructed

to a specification to enable them to be adopted as Public Highway, less the carriageway and footway surface courses. The carriageway and footway surface courses shall be completed within three months from the date upon which the erection is commenced of the penultimate dwelling.

Reason: To ensure that a safe and suitable standard of vehicular and pedestrian access is provided for residents throughout the construction period of the development and that the roads and footways are completed within a reasonable period following completion of the dwellings.

This Condition is imposed in accordance with Policy 2 of the South East Lincolnshire Local Plan, 2019.

- 6 No dwelling (or other development as specified) shall be commenced before the first 50 metres of estate road from its junction with the public highway, including visibility splays, have been completed to binder course level.

Reason: To ensure construction and delivery vehicles, and the vehicles of site personnel may be parked and/or unloaded off the existing highway, in the interests of highway safety and the amenity of neighbouring residents.

This Condition is imposed in accordance with Policy 2 of the South East Lincolnshire Local Plan, 2019.

- 7 Before any dwelling is occupied, all of that part of the estate road and associated footways that forms the junction with the main road and which will be constructed within the limits of the existing highway, shall be laid out and constructed to finished surface levels in accordance with details to be submitted and approved by the Local Planning Authority.

Reason: In the interests of safety, to avoid the creation of pedestrian trip hazards within the public highway from surfacing materials, manholes and gullies that may otherwise remain for an extended period at dissimilar, interim construction levels.

This Condition is imposed in accordance with Policy 2 of the South East Lincolnshire Local Plan, 2019.

- 8 The permitted development shall be undertaken in accordance with a surface water drainage scheme which shall first have been approved in writing by the Local Planning Authority.

The scheme shall:

- be based on sustainable drainage principles and an assessment of the hydrological and hydrogeological context of the development;
- provide details of how run-off will be safely conveyed and attenuated during storms up to and including the 1 in 100 year critical storm event, with an allowance for climate change, from all hard surfaced areas within the development into the existing local drainage infrastructure and watercourse system without exceeding the run-off rate for the undeveloped site;
- provide attenuation details and discharge rates which shall be restricted to 1.4 litres per second;
- provide details of the timetable for and any phasing of implementation for the drainage scheme; and
- provide details of how the scheme shall be maintained and managed over the lifetime of

the development, including any arrangements for adoption by any public body or Statutory Undertaker and any other arrangements required to secure the operation of the drainage system throughout its lifetime.

No dwelling shall be occupied until the approved scheme has been completed or provided on the site in accordance with the approved phasing. The approved scheme shall be retained and maintained in full, in accordance with the approved details.

Reason: To ensure that the permitted development is adequately drained without creating or increasing flood risk to land or property adjacent to, or downstream of, the permitted development.

This Condition is imposed in accordance with Policies 2 and 3 of the South East Lincolnshire Local Plan, 2019 and national guidance contained in Section 14 of the National Planning Policy Framework, 2019.

- 9 The development hereby permitted shall not be commenced until a scheme to deal with any contamination of land or pollution of controlled waters has been submitted to and approved in writing by the Local Planning Authority (LPA).

The scheme shall include the following measures unless the LPA dispenses with any such requirement in writing:

A remediation method statement comprising details of ground gas protection measures to be installed. This shall include details of the proposed verification plan including compliance criteria and monitoring details.

No deviation shall be made from this scheme without the express written agreement of the LPA. If during redevelopment contamination not previously considered is identified, then the LPA shall be notified immediately and no further work shall be carried out until a method statement detailing a scheme for dealing with the suspected contamination has been submitted to and agreed in writing by the LPA.

Reason: To assess whether the site is polluted and to address any pollution to ensure a satisfactory development. This issue is integral to the development and therefore full details need to be finalised prior to the commencement of works.

This Condition is imposed in accordance with Policy 30 of the South East Lincolnshire Local Plan, 2019.

- 10 Prior to the first occupation of the development, two full copies of a suitably detailed ground gas verification report shall be submitted to, and approved in writing by, the Local Planning Authority. The report shall provide verification that the required works regarding contamination have been carried out in accordance with the approved Method Statement(s). Post-remediation sampling and monitoring results shall be included in the closure report to demonstrate that the required remediation objectives and criteria has been fully met.

Note: The applicant is advised that the phased risk assessment required by the Contaminated Land Scheme Condition should be carried out in accordance with the procedural guidance of the Environmental Protection Act 1990 Part 11A.

Reason: To ensure the satisfactory remediation of contaminated land and/or waters.

This Condition is imposed in accordance with Condition 30 of the South East Lincolnshire Local Plan, 2019.

- 11 Before the commencement of the development hereby permitted beyond oversite, the approval of the Local Planning Authority is required to a scheme of landscaping and tree planting for the site (including screening of bin collection points) indicating, inter alia, the number, species, heights on planting and positions of all the trees, together with details of post-planting maintenance. Such scheme as is approved by the Local Planning Authority shall be carried out and completed in its entirety during the first planting season following practical completion of the development. All trees, shrubs and bushes shall be maintained by the owner or owners of the land on which they are situated for the period of five years beginning with the date of completion of the scheme and during that period all losses shall be made good as and when necessary.

NOTE: The submitted landscaping proposals shall demonstrate that Biodiversity Net Gain will be achieved on site, using the Biodiversity Metric 3.0 (or any successor).

Reason: To ensure that the development is adequately landscaped, in the interests of its visual amenity and that of the area in which it is set, and that Biodiversity Net Gain will be achieved.

This Condition is imposed in accordance with Policies 2, 3 and 28 of the South East Lincolnshire Local Plan, 2019 and the Environment Act 2021.

- 12 Notwithstanding the details of boundary treatment indicated on dwg. no. WE/CP/01 Rev J, details of fencing to be provided to the edge lanes shall be submitted to and approved in writing by the Local Planning Authority, and the details so approved shall be implemented in full before the development is first brought into use and retained thereafter.

Reason: In the interests of the character and appearance of the development.

This Condition is imposed in accordance with Policies 2 and 3 of the South East Lincolnshire Local Plan, 2019.

- 13 A final (as agreed with a management company) copy of a maintenance schedule for the areas of publicly accessible open space, the proposed Local Equipped Area for Play, landscaping and drainage features, shall be submitted to and approved in writing by the Local Planning Authority prior to the commencement of the development hereby permitted beyond oversite. The maintenance of these areas shall be carried out in accordance with the details so approved.

Reason: To ensure that adequate provision is made for the management and maintenance of the areas concerned.

This Condition is imposed in accordance with Policy 32 of the South East Lincolnshire Local Plan, 2019.

- 14 The development hereby permitted shall be carried out in accordance with the proposed acoustic mitigation measures set out in Section 6 of the submitted Noise Impact Assessment (prepared by Spectrum Acoustic Consultants, Rev 2, dated 30th November 2020).

Reason: In the interests of residential amenity.

This Condition is imposed in accordance with Policies 2 and 3 of the South East Lincolnshire Local Plan, 2019.

- 15 The applicant shall notify the Lincolnshire County Council Historic Environment Department in writing of the intention to commence at least fourteen days before the start of archaeological work required in order to facilitate adequate monitoring arrangements.

Reason: To ensure satisfactory archaeological investigation and retrieval of archaeological finds in accordance with national guidance contained in Section 16 of the National Planning Policy Framework, 2021.

This Condition is imposed in accordance with Policy 29 of the South East Lincolnshire Local Plan, 2019.

- 16 A copy of the final report required in connection with the necessary archaeological work above shall be submitted within three months of the work being carried out to the Local Planning Authority and the Lincolnshire Historic Environment Record. The material and paper archive required as part of the written scheme of investigation shall be deposited with an appropriate archive in accordance with guidelines published in The Lincolnshire Archaeological Handbook.

Reason: To ensure satisfactory arrangements are made for the recording of possible archaeological remains in accordance with national guidance contained in Section 16 of the National Planning Policy Framework, 2021.

This Condition is imposed in accordance with Policy 29 of the South East Lincolnshire Local Plan, 2019.

- 17 Details of the design and positions of all external boxes for gas and electricity supplies and of any gas flues and soil vent pipes shall be submitted to and approved in writing by the Local Planning Authority prior to their installation and there shall be no variation from the details so approved.

Reason: To ensure that the Local Planning Authority retains control over these details of the development in the interests of the character and appearance of the development and the visual amenity of the area in which it is set.

This Condition is imposed in accordance with Policies 2 and 3 of the South East Lincolnshire Local Plan, 2019.

- 18 The development hereby permitted shall be carried out in accordance with the measures set out in the Flood Risk Assessment (prepared by Amazi Consulting Ltd, dated 26th November 2021) forming part of this planning application, unless otherwise agreed in writing by the Local Planning Authority, in particular the following measures shall be fully implemented before the property is first occupied:

- Finished floor levels shall be set no lower than 3.6 metres AOD
- The proposed dwellings shall have at least two storey

Reason: To ensure that the development does not increase the risk of flooding or be at risk of flooding.

This Condition is imposed in accordance with Policies 3 and 4 of the South East Lincolnshire Local Plan, 2019 and national guidance contained in Section 14 of the

- 19 The water consumption of each dwelling hereby permitted should not exceed the requirement of 110 litres per person per day (as set out as the optional requirement in Part G of the Building Regulations 2010 and the South East Lincolnshire Local Plan, 2019). The person carrying out the work must inform the Building Control Body that this duty applies. A notice confirming the requirement for the water consumption has been met shall be submitted to the Building Control Body and Local Planning Authority, no later than five days after the completion of each individual dwelling.

Reason: To protect the quality and quantity of water resources available to the district. This Condition is imposed in accordance with Policy 31 of the South East Lincolnshire Local Plan, 2019.

Notes:

The Local Planning Authority has acted positively and proactively in determining this application by assessing it against all material considerations, including national guidance, planning policies and representations that have been received during the public consultation exercise, and by identifying matters of concern within the application and negotiating, with the Applicant, acceptable amendments to the proposal to address those concerns. As a result, the Local Planning Authority has been able to grant planning permission for an acceptable proposal.

ANNEX A

AFFORDABLE HOUSING CONTRIBUTION FORMULA

Part 1

The Affordable Housing Contribution is calculated as follows: $A = (B \text{ less } C) \text{ multiplied by } D$

Where:

- A = the Affordable Housing Contribution
- B = the value of the relevant dwelling if subject to the alternative tenure referred to in paragraph 1.7.1 of Schedule 3 as determined by an independent expert and agreed by all parties
- C = the value of the relevant dwelling(s) if subject to the tenure specified in the Affordable Housing Scheme in this Deed as determined by an independent expert or agreed by all parties
- D = the Affordable Housing Contribution if not paid within 12-months of the date of this Deed will be index linked to the percentage difference between house price inflation (UK House Price Index) and the Index calculated with reference to the figures last published prior to the date 12-months after the date of this Deed and the figure last published prior to the date of payment.

The Affordable Housing Contribution will be paid in full to the Council when no more than 85% of the Market Dwellings have completed. The costs for re-determining the values of B and C will be fully recharged to the Owner. The independent expert will be appointed and act under Clause 16

Part 2

The Affordable Housing Contribution is calculated as follows: $A = (B \text{ less } C) \text{ multiplied by } D$

Where:

- A = the Affordable Housing Contribution

- B = the open market value of the relevant dwelling if it were not subject to the terms of this Deed as determined by an independent expert and agreed by all parties
- C = the value of the relevant dwelling subject to the terms of this Deed as determined by an independent expert and agreed by all parties
