DO NOT SCALE FROM THIS DRAWING
This drawing is copyright and may not be altered, traced, photographed or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including foundations are based upon typical site conditions related to the area, no responsibility can be accepted for abnormal conditions which may be discovered during construction unless reported to the Architect before the commencement of work. Trial holes and surveys are recommended in respect of foundations if necessary and reported to before the commencement of work. This drawing is limited in its extent of information contained and does not purport to contain a full specification of the works. It is solely for the purpose of obtaining Planning / Building Regulation approval. This drawing may not be used as a contract document alone. The works will not be supervised or inspected on site by G R Merchant or any representative thereof, it is the client or their appointed agents responsibility to control workmanship, substitution of materials, adherance to specification, variations to contract etc.
All materials to be new unless otherwise stated and all components and materials etc, to be used fitted and installed etc. in strict accordance with manufacturers instruction and relevant code of practice. Materials shall conform to appropriate British standard specification or BBA certificate or European code equivalent. The Employer / Client shall ensure that the selected contractor is competent with and adopts all measures necessary to achieve compliance with Health and Safety legislation for Building sites and future clauses. The Employer / Client is advised that should the works need to comply with the Construction Design and Management Regulations an Independent Planning Supervisor will be required. The works shall comprise of all that is shown on the drawing and details. Work that may not be specifically shown but may be reasonably inferred as necessary to complete but the works shall be construed to be included.
