Details of the pre-application advice received:

The site is located within Weston Hills (Austendyke), which is defined in the South Holland Local Plan, 2006 as an Other Rural Settlement. Local Plan Policy HS7 states that new housing development in the countryside (including Other Rural Settlements) will only be permitted where it is to meet the needs of agricultural or other rural workers, or is small scale rural exception housing that complies with Policy HS9. However, Paragraph 49 of the National Planning Policy Framework, 2012 makes provision for residential development on suitable sites in a sustainable location. Moreover, the emerging South East Lincolnshire Local Plan has now identified Weston Hills (Austendyke) as an Other Service Centre with a defined settlement boundary. This is considered to be a material consideration that outweighs Local Plan Policy HS7.
Policy EC3 of the South Holland Local Plan seeks to retain existing employment land unless, inter alia, it is causing significant problems to the local environment. In this case, the site is close to existing dwellings so may be considered more suitable for residential development as opposed to a non-conforming commercial use.
The proposed scheme may well be acceptable, subject to detailed design considerations and the development not materially harming the amenity of neighbouring residents in terms of overlooking, etc.
