Scales
AS INDICATED.

DO NOT SCALE FROM THID DRAWING
This drawing is copyright and may not be altered, traced, photographed or used for any other purposes other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including foundations are based upon typical site conditions related to the area. No responsibility can be accepted for abnormal conditions which may be discovered during construction unless reported to the Architect in the first instance. Where trees may be considered, the soil and trees are recommended to be investigated by a chartered engineer to establish soil conditions and root systems. This drawing is limited in the amount of information it contains and does not purport to contain a full specification of the works. It is extent for the purposes of obtaining Planning / Building Regulations approval. This drawing must not be used as a contract document alone. The works will not be subcontracted or transferred on site by G R Merchant or any representative thereof. It is the client or their appointed agents responsibility to control workmanship, substitution of materials, adherence to specification, variations to contract etc.
All materials to be new unless otherwise stated and all components and materials etc. to be used fitted and installed etc. to strict accordance with manufacturers instruction and relevant code of practice. Materials shall conform to appropriate British standard specification or BSA certificate or European code equivalent. The Employer / Client shall ensure that the selected contractor is conversant with and admits all measures necessary to achieve compliance with Health and Safety legislation for Building sites and Work Rooms. The Employer / Client is advised that should the works need to comply with the Construction Design and Management Regulations an Independent Planning Supervisor will be required. The works shall comprise of all that is shown on the drawing and details. Work that may be required but may not be shown or detailed may be deemed as necessary to carry out the works shall be deemed to be included.
