DO NOT SCALE FROM THIS DRAWING

This drawing is the copyright of the Architect. The contractor is to check all dimensions on site before commencing any work or shop drawings. Any discrepancies are to be reported to the Architect before proceeding. Figured dimensions are to be taken in preference to scaled dimensions. Any work executed and any materials purchased prior to the issue of approval of the Building Control Body is entirely at the risk of the contractor. Any variations from the approved drawings must be notified to the Architect before proceeding. Please note that the Architect will not be responsible for any errors or omissions in the detail design prepared by the specialist contractors or their sub-contractors. Any sub-contractor is responsible for obtaining all necessary approvals for their work and for ensuring that adequate liaison exists between all parties. The Architect will not be responsible for any loss or damage caused by the failure of any person to comply with this notice. This drawing is to be read in conjunction with all relevant Engineer's, Surveyor's, Specialist's and Sub-contractor's drawings and specifications. All dimensions are in millimetres unless otherwise stated. Where a door is shown hinged on the face of a wall it is to be hung to open into the room unless otherwise stated. Where a window is shown with a cill height of 800mm or less it is to be fitted with safety glass. Where a window is shown with a cill height of 1100mm or less it is to be fitted with a safety barrier
