DO NOT SCALE FROM THIS DRAWING
This drawing is copyright and may not be altered, traced, photocopied or used for any other purpose than that for which it is issued. It is the General Contractor's to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including foundations are based upon typical ground conditions and no responsibility can be accepted for abnormal conditions which may be discovered during construction and brought to the Architect's as that design amendments may be considered. Site soil surveys are recommended. In respect of foundations to establish specific site conditions before foundation work is undertaken. This drawing is limited in the amount of information contained and does not purport to contain a full specification of the works. It is solely for the purpose of obtaining Planning / Building Regulation approval. This drawing must not be used as a contract document alone. The works will not be supervised or inspected on site by G R Merchant or any representative thereof. It is the client or their appointed agents responsibility to co-ord workmanship, substitution of materials, adherence to specification, variations to contract etc.
All materials to be new unless otherwise stated and all components and materials etc. to be used, fixed and installed etc. in strict accordance with manufacturers instruction and relevant code of practice. Materials shall conform to appropriate British standard specification or BSA certificate of European code equivalent. The Employer / Client shall ensure that the selected contractor is conversant with and abides all measures necessary to achieve compliance with Health and Safety legislation for Building sites and Work places. The Employer / Client is advised that should the works need to comply with the Construction Design and Management Regulations an Independent Planning Supervisor will be required. The works shall comprise of all that is shown on the drawing and details. Work that may not specifically shown but may be reasonably inferred as necessary to carry out the works shall be deemed to be included.
