DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and must not be loaned, traced, photographed or used for any purpose other than for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including foundations are indicative only and must be confirmed during construction. Where required to be checked by the Authorities or Statutory Undertakings which may be discovered during construction, details required to be checked must be brought to the attention of the Architect immediately. Any variations may be unenforceable. Site not always to scale. Figured dimensions must be adhered to. Any discrepancies must be brought to the attention of the Architect immediately. Do not scale from this drawing. Use only for the purpose for which it is intended. This drawing is the property of the Architect and must not be copied or reproduced without consent. Contractors must check all dimensions relating to this and any other drawings before commencing any work or preparing any shop drawings. Any discrepancies must be reported immediately to the Architect. Materials to be as listed unless otherwise stated and all components and materials are to be used and installed in accordance with the manufacturers recommendations. Any variations to the specification must be approved by the Architect and Building Control before proceeding. Dimensions are not to be scaled from this drawing. Setting out dimensions are to be checked on site before any work is put in hand. Any discrepancies are to be reported to the Architect before any work is put in hand
