DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be altered, traced, photographed or used for any other purposes other than that for which it is issued. The Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including illustrations are based upon typical site conditions related to this area. No responsibility can be accepted for abnormal conditions which may be discovered during construction unless reported to the Architect so that design amendments may be considered. Site soil surveys are recommended in respect of foundations to establish specific site conditions before foundation work is undertaken. This drawing is limited to the extent of information contained and does not purport to represent a full Specification. If there is any doubt as to the requirements of the Building Regulations, it should be made clear to the Architect before work is put in hand. Any proposed discrepancy should be referred to the Supervisor or Architect on site by G R Merchant or any representative from it. It is the client's or their appointed agents responsibility to control workmanship, substitution of materials, adherence to specification, variations to contract etc.

All materials to be new unless otherwise stated and all components and materials etc. to be used fixed and installed etc. in strict accordance with manufacturers instruction and relevant code of practice. Materials shall conform to appropriate British standard specification or BBA certificate or European code equivalent. The Employer / Client shall ensure that the selected contractor is conversant with and adopts all measures necessary to achieve compliance with Health and Safety legislation for Building Sites and Work places. The Employer / Client is advised that should the works require formal Building Regulation approval, the Building Control Regulations or Independent Planning Supervisor will be required. The works shall comply with all details shown on the drawing and details. Work that may not specifically mentioned but may be reasonably inferred as necessary to carry out the works shall be deemed to be included.
