Proposal Proposals to alter and extend the existing dwelling

Name Ian Marshman, Historic Environment Officer
Address Lincolnshire County Council Lancaster House 36 Orchard Street LN1 1XX

Date Submitted 12-02-21
For/Against Comments

The proposed development is in an area of archaeological interest, where Roman activity is recorded from cropmarks in the Lincolnshire Historic Environment Record, and close where Roman pottery has previously been found.

However, the relatively small size of the extensions in an area previously disturbed by the construction of the present house means that it is unlikely archaeological monitoring of the groundworks would produce meaningful results.

Therefore, in this instance we recommend that no archaeological input be required.
