Application H23-0086-25
Location THE MELROSE DOWSDALE BANK SHEPEAU STOW PE12 0TZ
Proposal Extension to building 1 to provide four additional kennels and erection of new building to provide 10 kennels. Cessation of dog training.

Name Diane Gordon
Address SHDC Environmental Protection

Date Submitted 04-03-25
For/Against Objections

This Department note that there is a large increase in the number of dogs intended to to be housed on the premises and have concerns regarding this due to previous history of noise complaints.

we therefore object until further information can be provided on the following matters:-
outcome of noise assessment of the likely impact of the increased numbers and proposed noise mitigation measures.
details of site boundary fencing and construction of kennels.
