TOWN AND COUNTRY PLANNING ACT 1990

FULL

Reference:	H23-0230-25	Date of Decision:	12th May 2025
Applicant:	P & S Williams Irby House Millgate Whaplode Spalding PE12 6RT		
Location:	Irby House Millgate Whaplode Spalding		
Description:	Siting of residential caravan - Retrospective		

South Holland District Council hereby give notice that this application has been REFUSED for the above proposal for the following reason(s):

1 Refused for following reasons

The static residential caravan is located in the countryside, outside a settlement boundary and is not suitably located with particular regard to the development plan's growth strategy and spatial intent, nor has it been demonstrated that the development is necessary in this location or that it meets the sustainable development needs of the area. Moreover, the siting of the development on an open parcel of land detracts from the rural character of the area.

The proposal is therefore contrary to Policies 1, 2 and 3 of the South East Lincolnshire Local Plan, 2019. Policy 1 sets out a spatial strategy for delivering sustainable development across South East Lincolnshire to 2036, development outside the defined settlement boundaries is designated as countryside. Policies 2 and 3 of the South East Lincolnshire Local Plan, 2019, indicate that sustainable considerations should be met in terms of impact on the character and appearance of the area and the relationship to existing development and land uses. These policies reflect guidance in the National

Planning Policy Framework, December 2024, Section 2 advises the purpose of the planning system is to contribute to the achievement of sustainable development, and paragraph 187(b) states that planning decisions should recognise the intrinsic character and beauty of the countryside.

Notes:

The determined plans are:

4368-24 01 Location Plan and Site Plan

4362-25 BNG Exemption Statement

The Local Planning Authority has acted positively and proactively in determining this application by assessing it against all material considerations, including national guidance, planning policies and representations that have been received during the public consultation exercise. However, the issues are so fundamental to the proposal, due to the harm which has been clearly identified within the reason(s) for the refusal, that approval has not been possible.

This decision notice, the relevant accompanying report and the determined plans can be viewed online at <http://planning.sholland.gov.uk/OcellaWeb/planningSearch>

Enforcement Notices

If an enforcement notice was served prior to the planning application being determined then the deadline for appealing is 28 days from the date of the **planning refusal**.

If an enforcement notice is served after the planning application is determined then the deadline for appealing is 28 days from the date of the **enforcement notice OR the timescales stated above for each application type** from the date of the planning refusal - whichever is sooner.

Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in

giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under the order.

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grant it subject to conditions the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of the Part VI of the Town and Country Planning Act 1990 or Section 32 of the Planning (Listed Building and Conservation Areas) Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him.

These circumstances are set out in Section 114 and related provisions of the Town and Country Planning Act 1990 and Section 27 of the Planning (Listed Building and Conservation Areas) Act 1990.
