South Holland District Council hereby give notice that CONSENT HAS BEEN GRANTED for the display of advertisements in accordance with the application and plans submitted, subject to the following conditions:

- 1 (a) All advertisements displayed and any land used for the display of advertisements, shall be maintained in a clean and tidy condition to the reasonable satisfaction of the Local planning Authority;
- (b) Any structure or hoarding erected or used principally for the purpose of displaying advertisements shall be maintained in a safe condition.
- (c) Where any advertisement is required under the Regulations to be removed, the removals shall be carried out to the reasonable satisfaction of the Local Planning Authority;
- (d) No advertisement is to be displayed without the permission of the owner of the site or any other person with an interest in the site entitled to grant permission.
- (e) No advertisement shall be sited or displayed so as to obscure, or hinder the ready interpretation of, any road traffic sign, railway signal or aid to navigation by water or air, or so as otherwise to render hazardous the use of any highway, railway, waterway (including any coastal waters) or aerodrome (civil or military).
- (f) This consent shall be for a period of five years.

Reason: Required by the Town and Country Planning (Control of Advertisements) Regulations 1989.

- 2 The brightness of the advertisement hereby granted consent shall not exceed 680 candelas/sq metre.

Reason: In the interests of the visual amenity of the locality.

Cantilevered Pump Spreader

Preferred: The preferred Cantilevered Pump Spreader is the 2100mm or 1800mm size, fully illuminated. The end panel facing the shop contains a "Thank You" message, and the other end panel should be used for up to three product identification messages. The larger front face contains the Fina Shield and product identification, with a mirror image on the reverse side.

The new Fina Cantilevered Pump Spreader is designed to enhance the Fina identity by displaying the Fina Shield and colours on the larger mirror

imaged panels, while providing full illumination and better product identification on the pump island. It is available in the preferred illuminated 2100 mm and 1800 mm lengths.

End panels have been designed to hold up to three product identification messages on one side, to aid in directing motorists to the preferred pump island, and a customer Thank You message on the opposite side.
