Application	H23-0261-21
Location	IRBY HOUSE MILLGATE WHAPLODE
Proposal	Temporary siting of static caravan

Name	Sue Armour
Address	Environmental Protection Officer SHDC PE11 2XE

Date Submitted	19-04-21
For/Against	Comments

Providing the use is temporary for 3 years only with no garden I have no comments or objections however if this is to be a longer term residential use with amenity garden space then the applicant would need to demonstrate that the site was suitable for the proposed use with resect to land contamination.
