DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be altered, traced, photographed or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including notations and specifications are subject to confirmation by the Local Authority. The Architect cannot be responsible for conditions which may be discovered during construction unless reported to the Architect so that variation requirements may be considered. No soil surveys are undertaken in respect of foundations. To establish specific site conditions before foundation work is undertaken. This drawing is limited to the amount of information contained and does not purport to contain a full specification of the works. It is solely for the purpose of obtaining Planning / Building Regulation approval. This drawing must not be used as a contract document alone. The works will not be supervised or inspected on site by G R Merchant or any representative thereof. It is the client or their appointed agents responsibility to control workmanship, substitution of materials, adherence to specification, variations to contract etc. All materials to be new unless otherwise stated and all components and materials are, to be used fitted and installed etc. to strict accordance with manufacturers instructions prior to commencement of variation. Where alternatives are specified in appropriate British standard specification, the selection shall be left to the discretion of the Building Inspector. The Local Authority Building Inspector is to be informed of commencement of certain stages of work and ensure all new and existing work is in accordance with Health and Safety legislation for Building sites and West passes. The Employer / Client is advised that should the works need to comply with the Construction Design and Management Regulations an independent Planning Supervisor will be required. The works shall complete of all that is shown on the drawing and details, work that may not specifically be shown but may be reasonably inferred as necessary to carry out the works shall be deemed to be included. It is the plot / land owners responsibility to be aware of the Party Wall etc. Act 1996 when building is close proximity to adjoining neighbours boundaries.
