DO NOT SCALE FROM THIS DRAWING

This drawing is the property of Julian Warrick Consultancy and is protected by the Copyright Designs and Patents Act 1988. It is issued on the condition that it is not loaned, copied or passed to a third party without the written consent of Julian Warrick Consultancy. Any breach of this condition will render the offender liable to prosecution and claims for damages. The contractor is to check all dimensions on site before work starts or any shop drawings are prepared. Any discrepancies must be reported to the Architect before any work is put in hand. Figured dimensions are to be taken in preference to scaled dimensions. Only the latest revision of drawings is to be used for construction purposes. Julian Warrick Consultancy cannot be held responsible for any errors or omissions in information issued in electronic format. It is the responsibility of the recipient to check all dimensions and details before commencing any work. Any work carried out before planning approval is obtained is entirely at the risk of the client and contractor. All dimensions are in millimetres unless otherwise stated. Do not scale from drawings. Any discrepancies must be reported to the Architect immediately. Setting out dimensions are to be checked on site before any work commences. Any proposed alterations to the existing structure must be reported to the Architect before any work commences. Any proposed alterations to the existing structure must be reported to the Architect before any work commences. Any proposed alterations to the existing structure must be reported to the Architect
