Re Planning Permission
H 23/0380/96

Dear Sir,

Since the plans have been passed the outside of the extension has been completed, except the porch.

I have been rethinking the design and feel that the one shown on the plan is too modern and not in keeping with the age of the house - 1902.

I would like to change the design of the porch to the one shown over the one on the plan.

This enclosed porch is in the proportion and design as the gable on the bay at the back of the house. To me it looks much nicer and brings together the old part of the building with the new.

I would like your approval for this change

Yours faithfully

M.A. Attwood. (Mrs)
