Application H23-0401-25
Location THE MELROSE DOWSDALE BANK SHEPEAU STOW PE12 0TZ
Proposal Extension to building 1 to provide four additional kennels and new building to provide ten kennels. Cessation of dog training.

Name Diane Gordon
Address SHDC Environmental Protection

Date Submitted 28-05-25
For/Against Comments

The Noise impact assessment produced by Charles Saunders 3.4.25 indicates only a minimal increase in sound levels over the maximum number of dogs on site during current training activities.
providing these are confirmed to cease then the additional numbers of dogs should only have minimal impact on noise levels. we therefore have no objections to the proposal
