Reason: To ensure that the Local Planning Authority retains control over the finished site and floor levels of the development, in the interests of the amenity of adjacent residents and its visual and architectural relationship with adjacent development. This Condition is imposed in accordance with Policies 2, 3 and 4 of the South East Lincolnshire Local Plan, 2019.

4 Before the commencement of the development hereby permitted beyond oversite, the approval of the Local Planning Authority is required to a scheme of landscaping and tree planting for the site indicating, inter alia, the number, species, heights on planting and positions of all the trees, together with details of post-planting maintenance. Such scheme as is approved by the Local Planning Authority shall be carried out and completed in its entirety during the first planting season following practical completion of the development. All trees, shrubs and bushes shall be maintained by the owner or owners of the land on which they are situated for the period of five years beginning with the date of completion of the scheme and during that period all losses shall be made good as and when necessary.

Reason: To ensure that the development is adequately landscaped, in the interests of its visual amenity and that of the area in which it is set.

This Condition is imposed in accordance with Policies 2 and 3 of the South East Lincolnshire Local Plan, 2019.

6 Before the dwelling hereby permitted is occupied 1.8 metre high close boarded fencing shall be erected along the north eastern and south western boundaries of the site, running from the front of the dwelling to the rear boundary. It shall thereafter be retained.

This Condition is imposed in accordance with Policies 2 and 3 of the South East

Lincolnshire Local Plan, 2019.

7 Before the rear sun deck/balcony is brought into use solid brick walling shall be erected along its north eastern and south western elevations to a height of 1.8 metres above the finished floor level of the sun deck/balcony in accordance with details accompanying the application. The brick walling shall thereafter be retained in its entirety.

Reason: In the interests of the character and appearance of the development and the amenity of nearby residents.
This Condition is imposed in accordance with Policies 2 and 3 of the South East Lincolnshire Local Plan, 2019.

8 Before the access is brought into use, the existing frontage hedge shall be lowered to and thereafter maintained at a height not exceeding 0.6 metres above the edge of the adjacent carriageway.

Reason: So that drivers intending entering the highway at the access may have sufficient visibility of approaching traffic to judge if it is safe to complete the manoeuvre.
This Condition is imposed in accordance with Policies 2 and 3 of the South East Lincolnshire Local Plan, 2019.

9 The following flood risk measures shall be fully implemented before the property is first occupied:
- Finished floor levels shall be set 300mm above existing ground level;

Reason: To reduce the risk of flooding to the proposed development and future occupants.
This Condition is imposed in accordance with national guidance contained in Section 14 of the National Planning Policy Framework, 2019.

10 Before the commencement of the dwelling hereby permitted, full details of the means of foul water disposal shall be submitted to and approved in writing by the Local Planning Authority. The details so approved shall be implemented in full before the development hereby permitted is first brought into use.

Reason: To ensure that the site is adequately drained and to avoid pollution.

11 Before the development is commenced beyond oversite, full details of proposed surface water soakaway system, including percolation test results, shall be submitted to and approved in writing by the Local Planning Authority. Reason: To ensure that the site is adequately drained, to avoid pollution, and to prevent increased risk of flooding.
This Condition is imposed in accordance with Policies 2, 3 and 30 of the South East Lincolnshire Local Plan, 2019 and national guidance contained in Section 14 of the National Planning Policy Framework, 2019.

Notes:

The Local Planning Authority has acted positively and proactively in determining this application by assessing it against all material considerations, including national guidance, planning policies and representations that have been received during the public consultation exercise, and by identifying matters of concern within the application and negotiating, with the Applicant, acceptable amendments to the proposal to address those concerns. As a result, the Local Planning Authority has been able to grant planning permission for an acceptable proposal.

RIGHTS OF APPEAL

Appeals to the Secretary of State

If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or grant consent subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990 or Section 20 of the Planning (Listed Building and Conservation Areas) Act 1990.

Timescales for appealing

The deadlines for appeals are calculated from the **date of decision** and are as follows for the types of applications below:

12 Weeks	6 Months	8 Weeks
Householder Applications	Planning Permission	Consent to Display Adverts
Minor Commercial Development	Listed Building Consent	
Agricultural Determinations	Other Prior Approval Applications	
Householder Prior Approval Applications		

Enforcement Notices

If an enforcement notice was served prior to the planning application being determined then the deadline for appealing is 28 days from the date of the **planning refusal**

If an enforcement notice is served after the planning application is determined then the deadline for appealing is 28 days from the date of the **enforcement notice** OR **the timescales stated above for each application type** from the date of the planning refusal - whichever is sooner.

All appeals must be made using an Appeal Form which you can get from The Planning Inspectorate at Temple Quay House, 2 The Square, Bristol, BS1 6PN (tel: 0303 444 5000) or you can submit your appeal online at:

http://www.planningportal.gov.uk/planning/appeals/online/makeanappeal

The Secretary of State can allow a longer period for giving notice of an appeal but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the

provisions of the development order and to any directions given under the order. In practice the Secretary of State does not refuse to consider appeals solely because the Local Planning Authroity based its decision on a direction given by him.

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grant it subject to conditions the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of the Part VI of the Town and Country Planning Act 1990 or Section 32 of the Planning (Listed Building and Conservation Areas) Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him.

These circumstances are set out in Section 114 and related provisions of the Town and Country Planning Act 1990 and Section 27 of the Planning (Listed Building and Conservation Areas) Act 1990.
