663-03	01
Date: MARCH '03	Drawn: GRM.

Scales
AS INDICATED.

DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be altered, traced, photographed or used for any other purposes other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown in this drawing including boundaries are based upon typical site conditions related to the area. No responsibility can be accepted for any site conditions which may be discovered during construction unless mentioned to the contrary in the specification. Any variations from the drawings must be agreed with the Architect prior to the carrying out of the relevant work. Any variations to common practice site conditions before construction work is undertaken. This drawing is limited in the terms of all information contained and shows not pursued to contain a full specification of the works. It is solely for the purpose of obtaining Planning / Building Regulation approval. This drawing must not be used as a contract document alone. The works will not be supervised or inspected on site by G R Merchant or any representative thereof. It is the client or their appointed agents responsibility to control workmanship, substitution of materials, adherence to specification, variations to contract etc.

All materials to be new unless otherwise stated and all components and materials etc. to be used fitted and installed etc. in strict accordance with manufacturers instructions and relevant code of practice. Materials shall conform to appropriate British standard specification or BBA certificate or European code equivalent. The Employer / Client shall ensure that the selected contractor is conversant with and adopts all measures necessary to achieve compliance with Health and Safety legislation for Building sites and Work places. The Employer / Client is advised that should the works
