Dear Mrs. Waltham,

Re: land off Churchgate, Whaplode - Planning application ref: no. H23/0476/00

Since lodging the above application, we have considered the matter of an access road to serve the area of the land allocated within your local plan.

We have reached the conclusion that this is extremely difficult to achieve both from an ownership and technical viewpoint and therefore in our opinion do not feel this site has a reasonable chance of coming forward.

We therefore wish to **withdraw** the above application.

Yours sincerely,

David Mee,
Joint Managing Director
