DO NOT SCALE FROM THIS DRAWING

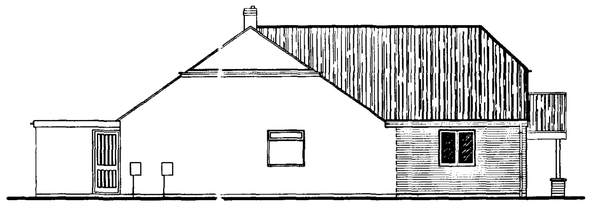

This drawing is copyright and may not be altered, traced, photographed or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including foundations are based upon typical site conditions related to the area. No responsibility can be accepted for abnormal conditions which may be discovered during construction unless reported to the Architect so that design amendments may be considered. Site soil surveys are recommended in respect of foundations to establish specific site conditions before foundation work is undertaken. This drawing is limited in the amount of information contained and does not purport to contain a full specification of the works. It is solely for the purpose of obtaining Planning / Building Regulations approval. This drawing must not be used as a contract document alone. The works will not be supervised or inspected on site by G R Merchant or any representative thereof. It is the client or their appointed agents responsibility to contact workmanship, substitution of materials, adherence to specification, variations to contract etc.
All materials to be new unless otherwise stated and all components and materials etc. to be used fitted and installed etc. in strict accordance with manufacturers instructions and relevant parts of B.S.C.P. Codes of Practice and British Standards. Where materials are specified to BSI or European units equivalent. The Proprietor / Client shall ensure that the selected contractor is determined with and adopts all measures necessary to achieve compliance with Health and Safety legislation for Building sites and Work places. The Employer / Client is advised that should the works need to comply with the Construction Design and Management Regulations an independent Planning Supervisor will be required. This works shall comprise of all that is shown on the drawing and details. Work that may not specifically shown but may be reasonably inferred as necessary to carry out the works shall be deemed to be included.

DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be altered, issued, photographed or used for any other purpose other than that for which it is prepared. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All dimensions are in millimetres unless stated otherwise. Figured dimensions are preferred to scaled dimensions. The drawing must not be scaled for construction purposes. All details are subject to the Local Authority requirements and Building Regulations. Any variations which may be necessary during construction unless agreed to the Architect as that design amendments may be necessitated. Site soil surveys are recommended in respect of foundations to establish specific site conditions before foundation work is undertaken. This drawing is limited in the amount of information contained and does not purport to contain a full specification of the works. It is solely for the purpose of obtaining Planning / Building Regulation approval. This drawing must not be used as a contract document alone. The works will not be supervised or inspected on site by G R Merchant or any representative thereof. It is the client or their appointed agents responsibility to control workmanship, substitution of materials, adherence to specification, variations to contract etc.

All materials to be new unless otherwise stated and all components and materials etc. to be used fitted and installed are, in strict compliance with manufacturers instructions and relevant codes of practice. Materials shall conform to appropriate British standard specification or Irish certificate or European equivalent. The Contractor and Client shall ensure that the new Health and Safety regulations for Building sites and Work places. The Employer / Client is advised that should the works have to comply with the Construction Design and Management Regulations an Independent Planning Supervisor will be required. The works shall comprise of all that is shown on the drawing and details. Work that may not specifically shown but may be reasonably inferred as necessary to carry out the works shall be deemed to be included.
