Thank you for consulting me on this application.
I have reviewed the Geoenvironmental Desk Study by Goldfinch Environmental Limited (reference 0870/1) dated November 2022. I am unable to provide comments at this stage as the graphics in the report (photographs and maps) are missing.
I note that the Appendices of the Site Investigation Report by GA Site Investigation Limited dated 4 May 2022 (map of sampling location, test results and borehole logs etc.) are also missing.
Please can I request complete copies of both of these reports in order to properly review this application?
