DO NOT SCALE FROM THIS DRAWING
This drawing is copyright and may not be altered, traced, photographed or used for any other purposes other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including schematic and based upon typical site conditions related to the area. No responsibility can be accepted for all unforeseen conditions which may be discovered during construction unless reported to the Architect and all design amendments may be constrained. Site soil surveys are recommended in the case of doubt to establish specific site conditions before tenders work is undertaken. This drawing is therefore a limited amount of information contained and does not purport to contain a full specification or the work. It is solely for the purpose of obtaining Planning / Building Regulation approval. The drawing must not be used as a contract document alone. The work is will not be supervised or inspected on site by the Architect, or any representative of and it is the client or their appointed agents, responsibility to undertake supervision, substitution of materials, advances in specification, variations to construction methods to be aware of purchase orders and as components and materials etc. to be used. Gas and Installer etc. to all in accordance with manufacturers instruction and relevant code of practice. Materials shall conform to appropriate British standard specification or BBA certificate or British Standard code equivalent. The Contractor / Client shall ensure that the selected contractor is conversant with and acquire all necessary to ensure compliance with Health and Safety legislation for Building sites and Work places. The Contractor / Client is advised that should the works need to comply with the Construction (Design and Management) Regulations an independent Planning Supervisor will be required. The works shall comprise of all that is shown on the drawing and on site. Work that may not specifically be shown but can be reasonably inferred as necessary to carry out the works shall be deemed to be included. It is the job / land owners responsibility to be aware of the Party Wall etc. Act 1996 when building in close proximity to adjoining neighbors boundaries.
