General Notes:

1. Do not scale from the drawings, alter dimensions, components & assemblies on site prior to manufacture, construction, or supply.
2. Where no units are given for dimensions, whole numbers indicate millimetres (mm) & decimal numbers indicate metres (m).
3. All drawings are to be read together in conjunction with all relevant Architects and other Engineers drawings and specifications. Any discrepancies are to be reported to WE Consulting Engineers for review before ordering materials, commencing fabrication, or proceeding on site.
4. All materials, construction and details shown or implied on this drawing must comply with current Eurocode or British Standard Codes of Practice, Planning / Building Regulations, H&SE legislation and client's particular specifications.
5. All proprietary items and materials are to be used and installed in accordance with manufactures specifications and recommendations.
