DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be altered, traced, photographed or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect before work commences. Work on this drawing is subject to the Building Regulations and any subsequent alterations. All the relevant Building Regulations may not be mentioned or conditions which may be discovered during construction unless reported to the Architect so that design amendments may be considered. Site soil surveys are recommended in respect of foundations to establish specific site conditions before foundation work is undertaken. This drawing is limited in the amount of information contained and does not purport to contain a full specification of the works. It is solely for the purposes of obtaining Planning / Building Regulation approval. This drawing must not be used as a contract document as-is. The works will not be supervised or inspected on site by G R Merchant or any representative thereof. It is the clients or their appointed agents responsibility to control workmanship, substitution of materials, schedule of specifications, variations to contract details, materials to be new unless otherwise stated and all components and materials etc. to be used fixed and installed etc. in strict accordance with manufacturers instructions and relevant code of practice. Materials shall conform to appropriate British standard specification or BBA certificate or European code equivalent. The Employer / Client shall ensure that the selected contractor is competent with the works all measures necessary to achieve compliance with Health and Safety legislation for Building sites and Work places. The Employer / Client is advised that should the work need to comply with the Construction (Design and Management) Regulations 2007 then they will be appointed as the Client in relation to the work and undertake all that is shown on this drawing and credits. Work that may not specifically be shown but may be reasonably inferred as necessary to carry out the works shall be deemed to be included. It is the party / land owners responsibility to adhere to any Party Wall etc. Act 1996, when building in close proximity to adjoining neighbors boundaries.
