HERITAGE PAVING

Heritage Paving is famous for its natural riven look and choice of colours and sizes that can beautifully complement any house or garden.

Cast from genuine split stone flags with Mason Fettled edges, Heritage paving is reminiscent of newly quarried Yorkstone.

The Heritage Range boasts a wide variety of matching accessories. Circular manhole covers are available, as well as corresponding walling, copings and radius coping.

Heritage paving boasts a natural riven look

It is cast from genuine split stone flags with Mason Fettle edges

A trusted favourite with customers throughout Britain

Heritage Paving is one of our [concrete paving](#) products within our [garden paving](#) range.
