DO NOT SCALE FROM THIS DRAWING

This drawing is important and may not be altered, (part), photographed or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on the drawing are built to comply with the current building regulations unless otherwise stated. Any discrepancies found or suspected on site should be reported to the Architect before any work is commenced. Site and services are recommended in respect of the existence to establish specific site conditions before foundation work is undertaken. This drawing is limited in the amount of information contained and does not purport to contain a full specification of the works, it is solely for the purpose of obtaining Planning / Building Regulations approval. This drawing must not be used as a contract document alone. The works will not be supervised or inspected on site by G R Merchant or any of its employees unless instructed. It is the client or their appointed agents responsibility to ensure adequate supervision and inspection of materials, adherence to specification, variations to contract etc.
All materials to be new unless otherwise stated and all components and materials etc. to be used fitted and installed etc. to strict accordance with manufacturers instruction and relevant codes of practice. Materials shall conform to appropriate British standard specification or BBA certificate or European equivalent where applicable. The Employer / Client shall ensure that the workmanship and materials used comply with the requirements of the Building Regulations and all other relevant Safety legislation for Building sites and Work places. The Employer / Client is advised that should the works need to comply with the Construction Design and Management Regulations an Independent Planning Supervisor will be required. The works shall comprise of all that is shown on the drawing and details. Work that may not specifically shown but may be reasonably inferred as necessary to carry out the works shall be deemed to be included.
