DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be reused, traced, photographed or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including foundations are based upon typical and assumed conditions related to the area. No responsibility can be accepted for abnormal conditions which may be encountered during construction unless reported to the Architect at that design amendments may be considered. Site surveys are recommended in respect of foundations to establish specific site conditions before foundation work is undertaken. This drawing is limited to the amount of information contained and does not purport to contain a full specification of the works, it is solely for the purpose of obtaining Planning / Building Regulation approval. This drawing must not be used as a contract document alone. The works will not be supervised or inspected on site by G.R. Merchant or any representative thereof, it is the client or their appointed agents responsibility to ensure workmanship, substitution of materials, alterations to specifications, variations to contract details and related details, is strict accordance with manufacturers instruction and relevant code of practice. Materials to be new unless otherwise stated and all components and materials etc. to be used these and adopts all measures necessary to achieve compliance with Health and Safety legislation for Building sites and Structures. The Employer / Client is advised that should any works need to be carried out which are not specifically as shown but may be reasonably formed as necessary to carry out the works shall be deemed to be included & to be paid / and owners responsibility to be aware of the Party Wall etc. Act 1996 when carrying in close proximity to adjoining neighbors boundaries.
