Details of the pre-application advice received

The site is outside a settlement boundary as defined in the South East Lincolnshire Local Plan, 2019.
Therefore, the site is located within the countryside.
Policy 1 of the Local Plan states that in the countryside development will only be permitted that is necessary to such a location and/or where it can be demonstrated that it meets the sustainable development needs of the area in terms of economic, community or environmental benefits.
In accordance with the above policy, new residential development, as opposed to a barn conversion, would not normally be considered acceptable in this location. However, it is noted that the site has permission for a proposed barn conversion into 5 dwellings (ref: H23-0594-20) under Class Q and that The Court of Appeal in Mansell v Tonbridge and Malling Borough Council confirmed that development under Class Q of the GDPO is a fallback position. That is, it is a material consideration for planning applications that permitted development rights under Class Q can be exercised.
It is also noted that the above case indicates that the fallback position can be given material weight in determining subsequent planning applications. Whether it is sufficient to overcome planning policy is somewhat debateable and may be open to question by the Authority. Consequently, I can only suggest that you submit an application so that it can be democratically assessed.
This planning advice is given in good faith but is an officer opinion only and therefore is not binding on any formal decision the Council may make following the receipt of a planning application.

24. Authority Employee/Member

It is an important principle of decision-making that the process is open and transparent.

○ Yes ◉ No

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

25. Ownership Certificates and Agricultural Land Declaration

CERTIFICATE OF OWNERSHIP - CERTIFICATE A - Town and Country Planning (Development Management Procedure) (England) Order 2015 Certificate under Article 14

*** 'owner' is a person with a freehold interest or leasehold interest with at least 7 years left to run. ** 'agricultural holding' has the meaning given by reference to the definition of 'agricultural tenant' in section 65(8) of the Act.**

NOTE: You should sign Certificate B, C or D, as appropriate, if you are the sole owner of the land or building to which the application relates but the land is, or is part of, an agricultural holding.
