Appendix 2 – Screening Assessment Form (Version 10.3)

If you are undertaking a small development (i.e. one house in a garden) this Screening Assessment Form can be used as a basic contamination assessment, which fulfils the requirements of the 'Existing Use' section of the planning application form. This form may be used in other circumstances at the discretion of the Local Planning Authority, but please check with them first.

This Screening Assessment Form is not suitable for larger housing developments, allotments, schools, nurseries, children's play areas, playing fields, or if there has been a past industrial use on or adjacent to the land. In these instances you will need to submit a Phase 1 Report (Preliminary Risk Assessment) and if appropriate, subsequent Phase 2 (Site Investigation and Risk Assessment), Phase 3 (Remediation Strategy) and Phase 4 (Verification) Reports.

NOTE: Failure to provide the required information at this stage may result in a delay in the application process and the imposition of planning conditions relating to land contamination.

If at any point when completing the form you suspect there is a likelihood that contamination may exist on the site (or on an adjacent site) which could affect the proposed use, it is strongly advised that you contact the Council's Contaminated Land Officer before proceeding, as your findings may necessitate the submission of a more detailed Phase 1 Report.

Please complete this form in BLOCK LETTERS and submit with photographs to the Local Planning Authority with your completed Planning Application Form.

APPLICANT / AGENT DETAILS

	Applicant	Agent
Full Name	MRS C BETTINSON	
Address	HIGHFIELD FARM CRANESGATE NORTH WHAPOLDE ST CATHERINE PE12 6SR	
Telephone	01406540232	
Email	catherine.bettinson@lincolnred.com	

DEVELOPMENT DETAILS

Site Name	HIGHFIELD FARM			
Site Address	CRANESGATE NORTH, WHAPLODE ST CATHERINE PE12 6SR			
Site Grid Reference TF34090 21040	Easting	534090	Northing	321040

SITE DESCRIPTION

Please provide a detailed description and photographs of the land being developed. Include details of the layout and ground covering, any evidence of former buildings or site activities, any evidence of made/filled ground, and any signs of subsidence or contamination (e.g. ground staining/discolouration, odours, vegetation distress/dieback).

wish to use old barn as conversion to domestic. reinstating all the original L shape. The barn is of sound construction most of the outside walls forming the part to be reinstated are still there. The part to be used as a courtyard has a sound deep concrete base as it was used as a cattle yard until 2017. There is no discolouration.

SITE HISTORY, LAND AND BUILDING USE

Please undertake a complete historical map review dating back to the mid/late 1800's, to provide a description of the previous uses(s) of the site and immediate surrounding area. *Historical maps are available to view online and possibly at local libraries.*

	Domestic	Agricultural	Commercial	Industrial	Other (give details)
Proposed land use (tick all that apply)	✓				
Current land use (tick all that apply)		✓			
Past land use – last 150 years (tick all that apply)		✓			

NOTE: If the site has a past or current industrial use, this Screening Assessment Form should not be used and you will need to submit a Phase 1 Report (Preliminary Risk Assessment) instead.

If the past land use has changed, please give date of change(s) (please use category types from the previous table).	From	To	Land Use

What have the existing buildings onsite been used for? (please state if applicable)

BARN

Are any of these buildings constructed from suspected asbestos containing material? (including cement sheets, gutters, drainpipes, lagging and insulation)	Yes ☐	No ☒
If any buildings are constructed from suspected asbestos containing material, please state whether an asbestos survey has been carried out and whether the material will be removed as part of the development.		

Have any fuels/chemicals been stored onsite?	Yes ☐	No ☒
Have there been any fuel/chemical spills or leaks?	Yes ☐	No ☒
