DO NOT SCALE FROM THIS DRAWING
This drawing is copyright and may not be altered, traced, photographed or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including foundations are based upon typical site conditions related to the area. No responsibility can be accepted for abnormal conditions which may be discovered during construction unless reported to the Architect so that design amendments may be considered. Site soil surveys are recommended in respect of foundations, to establish specific site conditions before foundation work is undertaken. This drawing is limited in the amount of information contained and does not purport to contain a full specification of the works. It is solely for the purpose of obtaining Planning / Building Regulation approval. This drawing must not be used as a contract document alone. The works will not be supervised or inspected on site by G.R. [illegible]ield or any representative thereof. It is the client or their appointed agents responsibility to control workmanship, substitution of materials, adherence to specification, variations to contract etc. All materials to be new unless otherwise stated and all [illegible] components and materials etc. to be used fitted and installed etc. in strict accordance with the [illegible]ers instruction and relevant code of practice. Materials shall conform to appropriate British Standard [illegible]specification or BBA certificate or European code equivalent. The Employer / Client shall ensure that the selected contractor is conversant with and accepts all measures necessary to [illegible] Regulations with Health and Safety legislation for building sites and Work places. The Employer / Client shall be advised that should [illegible] need to comply with the Construction Design and Management Regulations an additional [illegible] Planning Supervisor will be required. The work shall comprise of all that is shown on the [illegible] and details. Work that may not specifically be shown but may be reasonably inferred as necessary to carry out the works shall be deemed to be included. It is the responsibility of the contractor to be aware of the Party Wall etc. Act 1996 when [illegible] In cases of doubt or adjoining [illegible] owners.
